Alexander, Versie Johnson-Mallard, Elizabeth Kostas-Polston, Joyce Cappiello, Joyce D. Cappiello, Heather S. Hubbard, 2023-10-30 Holistically addresses women's health encompassing the needs of transgender and nonbinary individuals and considering ethnicity, social class, and disability/ableness. Delivering incisive and comprehensive information on the healthcare needs of women, transgender, and nonbinary persons, the third edition of this distinguished text incorporates a strong focus on the provision of high-value, equitable, and unbiased care. It expands research and clinical frameworks for understanding women's health to encompass transgender and nonbinary persons and places women's health within a holistic perspective considering ethnicity, social class, and disability/ableness. All chapters are significantly updated with new evidence-based research, clinical updates, and guidelines, drug information, Covid-related information, racism, and health disparities. This text also covers current and pertinent health topics such as substance use and abuse, mental health, early pregnancy decision making, and LGBTQ care, as well as abundant integrated information on care of transgender and nonbinary individuals and enhanced information on pregnancy and primary care issues that disproportionately affect females. The book is organized for ease of use and is comprised of three distinct but interrelated sections on theoretical frameworks to guide approach and care, health promotion and prevention, and managing health conditions. Rich instructor resources include mapping content to AACN Essentials, case studies, a test bank, and PowerPoint slides. New to the Third Edition: Focuses on providing equitable, unbiased care for all women, including transgender and nonbinary individuals; Updated with new evidence-based research, clinical updates, and guidelines, drug information, Covid-related information, and racism and health disparities information; Expanded information on care of transgender individuals; Enhanced content on pregnancy and related issues; Four-color presentation to enhance readability; Incorporates content in WHNP and CNM national certification examination blueprints. Key Features: Distills cutting-edge information on women's health issues through a sociocultural framework; Edited by renowned scholar educators for AP nursing students; Organized to provide easy retrieval of clinical information; Addresses genetics, LGBTQ health, endocrine-related problems, health considerations for women caregivers, dementia care, and more; Includes relevant web resources and apps in each chapter; Provides extensive instructor toolkit to foster critical thinking.

Remote, Inc. Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you're working remotely if you adopt the mindset, habits, and tech tools of professionals who are even more productive outside the office. Learn to think like a business of one, and that entrepreneurial mindset will transform your experience of remote work. Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home. After a year in which many of us plunged into remote work overnight, we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home. Remote Inc. gives you the strategies and tools you need to make remote work a valuable part of your renewed working life. Learn how to gain control over how and when you work by focusing on objectives, not the 9 to 5 workday. Wow your managers by treating them

like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration *Instrument Practice* ,1966
