Youth and Employment Yosuke Uchiyama,Fumitaka Furuoka,2025-10-24 This book analyses the reasons why many youths fail to obtain appropriate employment and end up working as gig workers It also seeks to analyse the unique pattern of youth unemployment and its causes which would impact the level of youth unemployment The book allows readers to gain a comprehensive understanding of how providing decent work for young people and establishing clear career paths can act as a catalyst for a strong economy and foster a productive and dynamic society It also provides valuable insights into how policymakers can develop effective economic policies to enhance employment opportunities for young people Furthermore the book serves as an essential reference for analysing the various forms and complex dynamic patterns of unemployment in the labour market making it a valuable resource for researchers policymakers and practitioners alike

Social Work Diagnosis in Contemporary Practice Francis J. Turner,2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession's body of knowledge but one of the challenges for today's practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the

complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers

National Youth Service : a Global Idea for Local Action ,1996 *Direct Social Work Practice* Dean H. Hepworth,Ronald H. Rooney,Jo Ann Larsen,2002 This text prepares social work students for effective work in the field through proven learning experiences that are as close to real life practice as they can get from a textbook The book has long been praised for the rigor of its theory It is regarded as the classic and best source for helping students learn direct social work practice skills The book integrates the major theories and skills that direct social work practitioners need to understand and master Consisting of four parts the book begins by identifying the mission of social work its values and knowledge base The authors then differentiate generalist from direct practice and explore roles of direct practitioners Common elements amongst diverse theorists are then examined while key intervention strategies and various client population and practice settings are presented Specifically Part One provides the foundational values and knowledge base material Part Two is devoted to the beginning phase of the helping process Part Three addresses the middle phase goal attainment strategies and Part Four clarifies the termination phase of direct practice
