Practical Short Form Content Ideas With Low Investment:

Small Teaching James M. Lang, 2021-07-26 A freshly updated edition featuring research based teaching techniques that faculty in any discipline can easily implement Research into how we learn can help facilitate better student learning if we know how to apply it Small Teaching fills the gap in higher education literature between the primary research in cognitive theory and the classroom environment In this book James Lang presents a strategy for improving student learning with a series of small but powerful changes that make a big difference many of which can be put into practice in a single class period These are simple interventions that can be integrated into pre existing techniques along with clear descriptions of how to do so Inside you ll find brief classroom or online learning activities one time interventions and small modifications in course design or student communication These small tweaks will bring your classroom into alignment with the latest evidence in cognitive research Each chapter introduces a basic concept in cognitive research that has implications for classroom teaching explains the rationale for offering it within a specific time period in a typical class and then provides concrete examples of how this intervention has been used or could be used by faculty in a variety of disciplines The second edition features revised and updated content including a newly authored preface new examples and techniques updated research and updated resources How can you make small tweaks to your teaching to bring the latest cognitive science into the classroom How can you help students become good at retrieving knowledge from memory How does making predictions now help us learn in the future How can you build community in the classroom Higher education faculty and administrators as well as K 12 teachers and teacher trainers will love the easy to implement evidence based techniques in Small Teaching

Success in Practical/Vocational Nursing - E-Book Lisa Carroll, Janyce L. Collier, 2022-06-08 Take an exciting journey to success in your LPN LVN career Emphasizing leadership and clinical judgment skills Success in Practical Vocational Nursing From Student to Leader 10th Edition helps you navigate your way through nursing school examinations the job search and success in professional practice It describes the building blocks essential to a successful career such as critical thinking ethics effective communication and an understanding of your role in the nursing process Also useful are review questions to help you get ready for the NCLEX PN examination Written by educators Lisa Falgiatore Carroll and Janyce Collier this edition adds new insight into the ways self empowerment can help you achieve positive outcomes in class and on the job Basic career information includes the value of the LPN workforce trends state regulations governing LPN practice and insight into safe practice and NCLEX PN success Learning features in each chapter include objectives and key terms with phonetic pronunciations with definitions in the text and in the glossary Storytelling narratives at the beginning of specific chapters use real life scenarios to provide context for the topic Get Ready for the NCLEX PN Examination section at the end of each chapter includes key points critical thinking scenarios additional learning resources and review questions with answers at the back of the book Test taking and interview preparation tips prepare students to take the NCLEX PN

Examination and guide you through the job search applications and interviews including electronic resumes Critical Thinking boxes provide opportunities to practice problem solving Coordinated Care boxes develop leadership and management skills with hints tools and activities Keep in Mind boxes introduce the underlying theme of each chapter Professional Pointers boxes give advice on nursing best practices in practice settings Try This boxes challenge students to imagine visualize and think outside the box Full color design makes this text visually appealing and easy to read References cite evidence based information and can be found in the back of the book NEW Next Generation NCLEX NGN Examination style questions are provided at the end of each chapter NEW Empowerment boxes introduce tools that can affect positive outcomes in class clinicals and professional practice NEW Updated content includes delegation preparing students for leadership positions immediately upon graduation and the latest on clinical judgment
