Reinventing Project-based Learning Suzie Boss,Jane Krauss,2007 Offers educators a guide for maximizing the benefits of project based learning in today s technology rich learning environment **CIO** ,2009 **Popular Science** ,2006-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Searcher ,2008 **The New Walford Guide to Reference Resources** Ray Lester,2005 The New Walford highlights the best resources to use when undertaking a search for accurate and relevant information saving you precious time and effort For those looking for a selective and evaluative reference resource that really delivers on its promise look no further In addition to print sources The New Walford naturally covers an extensive range of e reference sources such as digital databanks digital reference services electronic journal collections meta search engines networked information services open archives resource discovery services and websites of premier organizations in both the public and private sectors But rather than supplying a list of all available known resources as a web search engine might The New Walford subject specialists have carefully selected and evaluated available resources to provide a definitive list of the most appropriate and useful With an emphasis on quality and sustainability the subject specialists have been careful to assess the differing ways that information is framed and communicated in different subject areas As a result the resource evaluations in each subject area are prefaced by an introductory overview of the structure of the relevant literature This ensures that The New Walford is clear easy to use and intuitive Publisher *Popular Science* ,2006 Handbook of Research on Computer Mediated Communication Sigrid Kelsey,2008 Technology has changed communication drastically in recent years facilitating the speed and ease of communicating and also redefining and shaping linguistics etiquette and social communication norms Designing Portals Ali Jafari,Mark C. Sheehan,2003 Portals present unique strategic challenges in the academic environment Their conceptualization and design requires the input of campus constituents who seldom interact

and whose interests are often opposite The implementation of a portal requires a coordination of applications and databases controlled by different campus units at a level that may never before have been attempted at the institution Building a portal is as much about constructing intra campus bridges as it is about user interfaces and content Designing Portals Opportunities and Challenges discusses the current status of portals in higher education by providing insight into the role portals play in an institution s business and educational strategy by taking the reader through the processes of conceptualization design and implementation of the portals in different stages of development at major universities and by offering insight from three producers of portal software systems in use at institutions of higher learning and elsewhere
