Corporate Responsibility in the Digital Age Ivri Verbin, 2020-11-16 This book is a roadmap to help organizations adopt corporate responsibility and sustainability practices and be fit for purpose in a digital era. It explains why corporate responsibility is the only option in the twenty-first century post-COVID-19 world and guides readers through the process of transforming their organizations with continued reference to the importance of technology. This is not a technical manual and it is not an academic textbook; it is designed to be a quick, easily digested read. The first part looks at the current landscape, both of business and of the world in which it operates. The second part explains why corporate responsibility is the only realistic option for business in the twenty-first century post-COVID and who needs to take responsibility for it. The third part is a step-by-step guide to putting principles into practice, covering values, stakeholder engagement, employees, supply chain, environment, community, customers, and marketing and reporting and transparency. Each chapter is linked to relevant UN Sustainable Development Goals and supported by dozens of real-world examples. By the end of the book, business leaders will have understood the scope of the challenge involved in leading a truly socially and environmentally responsible organization and crucially will have understood why such a course of action is not only desirable but essential. And they will also have been inspired by a sense of purpose. The book offers direct access to the processes, insights, and techniques for installing corporate responsibility throughout organizations, large and small, based on the author's many years' experience working in government and with successful large corporations. It is up to date and relevant, addressing the implications of COVID-19 and the modern technological Fourth Industrial Revolution.

The Nature of Business Transformation Richard Kelly, 2022-03-17 This book is a practical guide for business professionals to develop and improve business intelligence and collective decision-making within their organisation. It proposes a progressive reconfiguration of the

traditional business operating system using a nature inspired framework called swarm facilitation that enables and facilitates collective decision making Organisations have followed the same rigid formula of problem solving and decision making for over 100 years It is dominated by centralised governance and pyramid decision making Such an approach is no longer fit for purpose in an environment of employee disengagement artificial intelligence AI superintelligence and Covid 19 fallout By the end of this book readers will be able to solve organisational problems and challenges collectively using swarm intelligence upgrade and future proof business operating systems to reflect a more collective decision making approach fit for the new connected economy and Industry 4 0 embrace mindset quotients that support people working in a more networked self organising and collective environment The book is important reading for leaders and managers who are focused on building organisational capital and engagement and gaining value from the emerging technology by evolving their business operating system into a digital ecosystem as part of an ongoing digital transformation strategy It will also appeal to experts working in the field of organisational change and development both within the organisation and as consultants

Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Remote Jobs Usa Ideas For Millennials : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Remote Jobs Usa Ideas For Millennials : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
