The Women of the Far Right Eviane Leidig, 2023-09-19 On mainstream social media platforms far right women make extremism relatable They share Instagram stories about organic foods that help pregnant women propagate the pure white race and post behind the scenes selfies at antivaccination rallies These social media personalities model a feminine lifestyle at once promoting their personal brands and radicalizing their followers Amid discussions of issues like dating marriage and family life they call on women to become housewives to

counteract the corrosive effects of feminism and champion the Great Replacement conspiracy theory which motivated massacres in Christchurch El Paso and Buffalo Eviane Leidig offers an in depth look into the world of far right women influencers exploring the digital lives they cultivate as they seek new recruits for white nationalism Going beyond stereotypes of the typical male white supremacist she uncovers how young attractive women are playing key roles as propagandists organizers fundraisers and entrepreneurs Leidig argues that far right women are marketing themselves as authentic and accessible in order to reach new followers and spread a hateful ideology This insidious and highly gendered strategy takes advantage of the structure of social media platforms where far right women influencers content is shared with and promoted to mainstream audiences Providing much needed expertise on gender and the far right this timely and accessible book also details online and offline approaches to countering extremism Marketing ,2008 *Admap* ,2009 **E-commerce** Kenneth C. Laudon,Carol Guercio Traver,2007 In today s evolving business environment E commerce business technology society introduces students to the concepts and practice of electronic commerce This book emphasizes the three major forces behind e commerce business fundamentals technology opportunities and social issues In every chapter these three themes come alive with the discussion of e commerce concepts in the areas of economics marketing and information technology and with the presentation of real world e commerce business cases and stories The result is a coherent framework for organizing a complex topic which promotes a clear understanding of how e commerce is evolving Book jacket **Thank You for Firing Me!** Kitty Martini,Candice Reed,2010 Unfortunately unemployment is on the rise leaving many people anxious about how to recreate themselves and renew their careers after being fired This fresh funny and smart guide will be their life saver providing them with the information they need to thrive even in this tight economic environment It will help jobseekers and prospective entrepreneurs figure out what they really want to do next understand the changing job market and find work in growth areas such as green technology There s also advice on retraining freelancing and independent contracting and Internet marketing options as well as a chapter devoted specifically to women Personal interviews with workers who changed their lives after getting laid off and who are now doing what they love offer additional inspiration **Affiliate Marketing For Beginners** Tim Murphy,2020-12-29 If you were to ask a random user of the Internet what he or she thought Affiliate Marketing was he or she would likely claim that it was a way of making money online as an intermediary Here people make a commission from a sale or a referral when a visitor to his or her site clicks on a link that directs him or her to a product or page online However as much as there is a lot of truth there Affiliate Marketing does not only have to take place online For example affiliate marketing is also where a plumber gives a client a discount for referring him or her to a new client It is the same concept This kind of marketing happens a lot in the real world but people do not trace or coordinate it as much as is the case with online marketing Business owners can ask their customers how they came to know about them in an effort to learn about their client base but they cannot get as much information as they would be using online tracking The growing online

market has made this type of marketing more popular and profitable.
