Practical Viral Content Ideas For Beginners Online:

Practice-Oriented Online Marketing Ralf T. Kreutzer, Sonja Klose, 2025-11-29 People now spend a great deal of time online. Companies are following them onto the internet both in B2B and B2C contexts. This book answers the most important questions related to this development and presents concrete solution concepts, success strategies, and numerous checklists from designing a cross-channel customer journey to controlling and considering legal frameworks. It provides companies with the tools they need to manage their online marketing budgets effectively and efficiently. In the 5th edition, Ralf T. Kreutzer together with new co-author Sonja Klose has incorporated key innovations in the online world. These include integration of current developments in the field of artificial intelligence across all relevant areas, revision and expansion of strategic options in online marketing, incorporation of current developments in online advertising, inclusion of new search engine optimization (SEO) concepts, and exploration of further aspects of email marketing. The 5th edition by Ralf T. Kreutzer and Sonja Klose impressively demonstrates how dynamically marketing is evolving. In addition to the new legal frameworks, the use of artificial intelligence in online marketing has also been comprehensively integrated. This makes the book an essential and up-to-date resource for both marketing students and professionals in the industry. A clear recommendation. Martin Nitsche, President of the DDV German Dialogue Marketing Association.

Fundraising Principles and Practice Adrian Sargeant, Jen Shang, 2024-04-23 Adopt an organized approach to fundraising planning. In its third edition, *Fundraising Principles and Practice* is a unique resource for students and professionals seeking to deepen their understanding of fundraising in the current nonprofit environment. Based on emerging research in economics, psychology, social psychology, and sociology, this book comprehensively analyzes the factors that impact the fundraising role in the nonprofit sector. Readers will explore donor behavior, decision making, and social influences on giving. Building upon that background, authors Adrian Sargeant and Jen Shang then describe today's fundraising methods, tools, and practices. A robust planning framework helps you set objectives, formulate strategies, create a budget, schedule, and monitor activities, with in-depth guidance on assessing and fine-tuning your approach. With updated case studies and examples, this book helps you develop a concrete understanding of the theory and principles of fundraising. A companion website offers additional opportunity to deepen your learning and assess your knowledge. Updates to this Third Edition include the latest research and new content in rapidly changing areas of fundraising, such as digital and social media. Learn the common behaviors and motivations of donors. Master the tools and practices of nonprofit fundraising. Manage volunteers, monitor progress, evaluate events, and more. *Fundraising Principles and Practice* provides working nonprofit professionals as well as postgraduate students studying fundraising with a comprehensive guide to all aspects of the field, including in-depth coverage of today's most effective approaches.
