Side Hustle Eric Scott, 2019-09-12 Is your dwindling bank account giving you a lot of stress Do you have so many financial responsibilities and not enough money to sort them out Is your day job not earning you enough money Have you been thinking of ways to earn an extra income According to a survey released by the American Psychological Association APA money stress is a significant cause of health issues in the U S What is even interesting is that even wealthy people are stressed about money and not just those that are in a low income bracket The good news is that if you have been having trouble with money you can throw all these troubles out the window by starting a side hustle that will not only earn you an extra income but will also secure a future for you and your family Think of this as an early retirement While working my day job my wife and I decided to get a side hustle that today earns us a six figure income and is the source of our wealth Whether you are looking for an extra income to pay for your children s college tuition or pay off your mortgage or pay other debts a few hundred dollars to thousands a month will go a long way in turning your life around for the better In this book you will learn What it means to earn an extra income on the side Why you should care in the first place Steps to take when planning to have an extra income How do you plan on starting a side hustle while keeping your day job Realistic ways to earn extra income on the side Rules for side hustle success Productivity hacks to help you make better with your side hustle With this and more you will be on your way to earning an extra income comfort happiness and early retirement So what are you still waiting for Come with me and let s delve deeper into some realistic ways you can start your side hustle and earn an extra dollar Happy Reading

Earning Additional Income Through Side Hustles B. Vincent, 2024-12-09 Side hustles are a relatively new concept dating all the way back to the 1950s A side hustle is a way for individuals to generate money in addition to their normal jobs The word has exploded in popularity over the last decade as more people explore for methods to earn some extra money It s no accident that its popularity has coincided with the rise of the gig economy with the arrival of firms like Uber and AirBnB many people can now earn an additional income without making drastic lifestyle changes If you re interested in finding ways to earn money in your leisure time this is the guide for you Chapter one discusses the benefits of side hustles chapter two discusses internet side hustles and chapter three discusses offline side hustles By the end of this book you ll be able to identify the ideal side hustle for your schedule and needs According to Princeton University research conducted in 2017 over 44 million Americans have a side hustle spanning practically every demographic The following statistics shed light on who engages in side hustles and why they do so 86 percent of side hustlers do so on a monthly basis This includes 96% of adults between the ages of 18 and 26 and 83% of people beyond the age of 26 The quantity of money earned via side hustles varies significantly between generations 36% of side hustlers earn more than 500 every month 50% of baby boomers earn this amount of income compared to just 19% of millennials who earn an average of 200 each month The majority of people in their fifties and sixties make more than 1 000 each month Just over half of side hustlers use their earnings to pay required expenses with only 46% viewing their earnings

as disposable cash The way in which side hustle earnings are spent varies by gender with women more than twice as likely as men to use them to cover expenses The real question is why all of these individuals have side hustles The reasons vary from pragmatic to personal and it can be an excellent opportunity to experiment with something new if you're considering a career shift or simply want a new interest As inflation continues to climb and wages remain stagnant side hustles provide a measure of comfort to many individuals by demonstrating that they do not have to rely entirely on traditional job patterns for money The concept of work has evolved significantly over the last few decades and the growing popularity of side hustles is enabling an increasing number of individuals to combine work and play in ways that work for them
