Making Salad is all about throwing in a bowl and tossing them with your favorite dressing The actual color flavor and texture come from the creativity of the chef and the variety of ingredients used But having a busy schedule and trying to come up with Salad ideas can be tough right Well that is precisely why I have prepared this recipe manuscript The Salad recipes found in this book range from being extremely easy to slightly awkward and they use a wide range of unusual ingredients to make every Salad different from one another And just in case you are wondering yes You can prepare these salads even if you have no cooking experience at all In hopes of making this book accessible to people of all skill levels I tried my very best to make every recipe as clear and easy to follow as possible So if you are ever in doubt follow the recipes to the Tee and you will have your very own tongue teaser in no time Excited to see what I have in store for you Well You are more than welcome to go ahead and explore the recipes
