Halley,1999 Who was Nostradamus and what faith should we place in his predictions This book gives objective answers It reveals that Michel de Nostredame a 16th century French doctor was more Renaissance man than arcane magician and that his prognostications can be compellingly astute In this edition all of the cryptic short verses of Nostradamus s Centuries appear in the original French with new translations Uncanny prophecies such as those of the French Revolution and the rise of Hitler are examined in detail Here too are interpretations of the many verses believed to augur future events Editor Ned Halley works in fields of journalism as diverse as medicine wine and business He takes a Plain English approach to a subject far too often wreathed in language that seems calculated to obscure rather than to demonstrate the truth     **1968 World Predictions** Mr. Psychic,1967
