Comparing Development Patterns In Asia:

Comparing Development Patterns in Asia Cal Clark, Kartik Chandra Roy, 1997-01-01 The collapse of state socialism in the Soviet bloc and the political upheavals in China following the Tiananmen Square incident have created the impression that neoclassical economics holds the key to global economic development and prosperity This book challenges that view by comparing the post war development histories of East and South Asia

Comparative Development Experiences of Sub-Saharan Africa and East Asia Ernest Aryeetey, 2017-11-01 Title first published in 2003 This comprehensive book focuses on the prevailing conditions in Asia and Africa under various macroeconomic and sectoral themes in order to provide in depth explanations for the divergent development experiences of the two regions Seeking to go further than the simple comparison of policies the book carefully examines the institutional context for policy implementation within which growth and development have proceeded in the regions

The Political Economy of Developmental States in East Asia Tian He, 2020-11-13 This book explores the variations in the transformation of the Asian developmental state in South Korea Singapore and Taiwan Based on an original theory the author argues that these variations are influenced by two factors industrial structure and democratic transition both of which are shaped by the strategic calculations of the ruling elites to maintain power The theory concerns two concurrent political processes during the state's development process namely the emergence of economic interest groups with varying levels of policy constraints on the state and the process of democratic transition driven by the rise of the middle class The book will appeal to students and researchers in the fields of Asian politics development studies political economy and comparative politics

Managing Economic Development in Asia Kuotsai Liou, 2002-03-30 From 1965 to 1990 the 23 East Asian economies grew faster than all other regions of the world The high performing economies of Japan South Korea Taiwan Hong Kong Singapore Thailand Malaysia and Indonesia experienced low and declining levels of income inequality as well The June 1997 financial crisis has challenged these economies Many of the high performing economies have experienced serious problems including falls in currency and equity markets significant slowdowns in international trade and setbacks in economic growth Emphasizing the role of government and the importance of managing development this book provides an overview of the major impact of the financial crisis on selected Asian countries and of the development policies implemented Examining the experience of managing economic development the book includes contributed chapters on China Hong Kong Indonesia Japan Korea Malaysia Taiwan Thailand Singapore and Southeast Asia It will be a useful resource for scholars students and those researching Asian economic development

Rising India and Indian Communities in East Asia K Kesavapany, 2003-08-01 This edited volume containing thirty five chapters focuses on three main contemporary issues the phenomenon of the new Indian diaspora in the past five decades the impact of rising India on settled Indian communities and the recent migrants By examining these interrelated aspects this study seeks to address questions like what does the Rising India mean to Indian communities in East Asia How are members

of Indian communities responding to India's rise Will India pay greater attention to people of Indian origin And last but not least will Indians in East Asia identify themselves with their ancestral land or view such identification as problematic

Women Workers in Industrialising Asia A. Kaur, 2016-01-13 This collection contributes to key theoretical debates about women workers in Asia and breaks new ground by focussing on issues that have been little documented in other studies in the area It provides new information and insights into labour systems associated with labour intensive export manufactures and state labour relations in a comparative context The contributors present a range of unique and varied perspectives from which they consider aspects of the increasing integration of Asian economies exploring implications for their labour markets

Beyond the Developmental State Stephen Chan, Helma Lutz, Danny Lam, 2016-07-27 This collection of essays examines the historical influence of states in East Asia's political economies and considers their contributions to the ongoing social economic and political transformation of the countries in this region They show that the status of these so called developmental states have evolved over time and that their role and capacity have been significantly related to the social bases and cultural roots of the relevant countries
