Artificial Intelligence and Social Computing Tareq Ahram, Jay Kalra, Waldemar Karwowski, 2024-07-24 Proceedings of the 15th International Conference on Applied Human Factors and Ergonomics and the Affiliated Conferences Nice France 24 27 July 2024 *The Artificial Intelligence Playbook* Meghan Hargrave, Douglas Fisher, Nancy Frey, 2024-02-29 Time Saving AI Tools that Make Learning More Engaging Busy educators need tools that support their planning and provide them with more time with students While Artificial Intelligence AI has emerged as a promising solution it can only help if we re willing to learn how to use it in ways that improve upon what we already do well The Artificial Intelligence Playbook Time Saving Tools that Make Learning More Engaging is here to empower teachers to explore AI s potential and discover practical ways to implement it to enhance their planning and instruction Two chapters and 6 Educator Functions guide teachers step by step through how to purposely use AI to Compose Writing Prompts and Avoid Plagiarism Manage Content Foster Student Engagement Meet Students Instructional Needs Assess Student Learning Continue Lifelong Learning Though AI has the potential to reduce workload for educators it will never replace teachers Your connection with students is irreplaceable and greatly impacts their learning Consider AI a valuable tool that provides you with more time to build and sustain those vital relationships with students and that can assist them in learning at the very same time **Communication Strategies**

Dawn Chekulski, AI, 2025-02-21 Effective communication is the cornerstone of successful project management yet it s often the weakest link Communication Strategies tackles this issue head on offering a comprehensive guide to establishing clear and impactful team communication This book emphasizes that project failures often stem from miscommunication not just technical shortcomings illustrating the importance of proactive communication planning Did you know that actively listening and understanding diverse communication styles can significantly boost team morale and collaboration The book argues that a well defined communication framework is essential for aligning teams and minimizing misunderstandings ultimately driving project success The book progresses logically starting with foundational communication principles and then diving into specific strategies It explores various communication styles conflict resolution techniques and feedback loops providing practical examples and case studies By focusing on actionable strategies the book helps readers implement effective communication plans complete with templates and checklists It also recognizes the importance of emotional intelligence highlighting empathy and self awareness This pragmatic approach distinguishes Communication Strategies from theoretical texts making it a valuable resource for project managers and team members seeking to improve organizational performance and ensure project success Diversity, Equity, and Inclusion in Strategic Communications Lee Bush, Karen

Lindsey, 2024-08-15 Taking a DEI first approach this book teaches students to become culturally proficient communicators by approaching diversity equity and inclusion DEI with intentionality in every aspect of strategic communications Those who work in strategic communications play a powerful role in shaping public perceptions and thus have a crucial responsibility to

understand and practice the principles of diversity equity and inclusion in their work This book introduces students to DEI theories and concepts and guides them through applying these concepts to communications research planning and execution Chapters in the book align with the courses and competencies most often taught in advertising and public relations programs It also includes chapters on Inclusive Leadership and Working on Diverse Teams as students will need these competencies when working on group class projects and in preparing for internships The concluding chapter on Communicating for Social Change allows students to look beyond advertising and PR as corporate centered disciplines and expand their understanding of the power of communications to advocate for social justice and change Ideal for students at the undergraduate level with relevance to graduate students as well the book can be used as a stand alone text in DEI communications courses as a supplement to core advertising or public relations texts or in modules in advanced communications courses Online materials for instructors include teaching tips suggested discussions and activities student assignments sample quizzes and video links They are available at [www.routledge.com](http://www.routledge.com) 9781032533865
