The Key to Inclusion Stephen Frost, 2022-07-03. Recognising the importance of diversity, belonging, and equity is not enough. This book has the practical guidance needed to think differently and make true inclusion a reality. Edited by Stephen Frost, a leading voice in the Diversity, Equity, and Inclusion (DEI) space, this book is a must-have for all those who know that achieving inclusion at work is important but don't know where to start. It covers how to be more inclusive as an individual by changing your mindset and building your cultural intelligence, as well as how to develop more inclusive teams by adapting management practice and environments, whatever the size or structure of your business. The Key to Inclusion also provides tools, strategies, and advice on inclusion at an organizational level through inclusive strategy, leadership, governance, data systems, and processes. Supported by real-world examples, interviews, and case studies from BBC, the UK National Health Service (NHS), AstraZeneca, and LinkedIn, this book looks beyond inclusion in the present to examine inclusion in the future and particularly in tech, financial services, and TV. With chapters from a diverse group of expert voices, this book is crucial reading for all HR professionals and business leaders who are looking to deliver true inclusion as individuals in their teams in their organizations and communities.
