science fiction novel *Stranger in a Strange Land* where it means to drink but is generally understood as having deep empathy or intuition with something. The AI is designed to have a bit of wit, a rebellious streak, and a willingness to tackle controversial or spicy questions that other AI systems might avoid. Grok is currently available to select X platform users in the US as part of the early access program. The company claims that Grok has surpassed all other models in its compute class, including ChatGPT 3.5 and Inflection 1, but it is still outperformed by bots with larger data troves. The goal of xAI is to build artificial intelligence that advances humanity's understanding of the universe. With a team of former employees from OpenAI, DeepMind, and other prominent organizations, xAI is actively hiring for various roles as it continues to develop its technology.
