Example Solutions from the Book

Problem: Not knowing how to start building a personal brand.
Solution: The book's initial chapters focus on self-discovery exercises and help you identify your unique strengths and passions. These exercises guide you in creating a solid foundation for your brand by clearly defining what sets you apart from others.

Problem: Struggling to create engaging content consistently.
Solution: The book introduces the concept of content pillars—key themes that your content will revolve around. By establishing these pillars, you'll never run out of ideas and ensure your content remains relevant and engaging. The book also provides templates and tools for content planning, making consistency easier to achieve.

Problem: Overwhelmed by multiple social media platforms.
Solution: Instead of spreading yourself too thin, the book helps you identify which platforms best align with your brand and audience. You'll learn to create platform-specific strategies, maximizing your impact on each one without feeling overwhelmed.

Problem: Low engagement and audience growth.
Solution: The book offers techniques to boost engagement through interactive content, polls, and Q&A sessions. It's a toolkit filled with actionable insights, expert advice, and practical examples.

Imagine transforming your online presence, attracting opportunities, and turning your passion into profit. This book empowers you to take control of your personal brand and make a lasting impact.

Online Personal Brand Ryan M. Frischmann, 2014-07-19

Online personal

branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap
