Dussehra is again set to enthrall everyone with its accompanying pomp and splendour. In our Cover Story we take a close look at celebrations at the Shakti Pithas revered in Odia tradition and try to get a better understanding of the divine traditions that come alive during Dussehra and Durga Puja. Food has a close association with festivals across the country and Durga Puja is no exception. Our Food and Wine section captures the essence of the festive season by zeroing in on recipes of some Odia delicacies that come with a slice of culture as well. Tradition: From fish preparations to traditional pancakes, Durga Puja is known for these special offerings to the Goddess. In City Sports we look at 10 athletes from the state who are all set to participate in the Indian Open U23 Athletics meet. The section also features the junior women's and sub-junior men's hockey championships where the teams from Sundargarh stamped their authority by winning both the titles. Our City Fashion section takes a look at a trend that is fast becoming the norm for much of today's younger generation: thrift shopping. Once looked down upon, second-hand clothes now seem to have lost the stigma they were long associated with. Our special feature brings you the low-down on thrift shopping as we explore how the trend is being seen as a welcome shift towards eco-friendly and sustainable fashion. We also speak to some youngsters to understand what draws them to thrift shopping. Odisha has a rich heritage of folk and tribal songs and singer Susmita Das has been on a mission to promote them on the global stage. We catch up with her in Screen Shots as she talks about what inspired her to embark on this praiseworthy journey and her plans for the future. The festive season is here and so are some much anticipated Bollywood releases. Screen Shots takes a quick look at the latest Odia films lined up for the big screen, ranging from thrillers and a social drama to a moving tribute to a legend of music. If you were impressed by the rich tapestry of emotions that Pixar's 2015 release *Inside Out* wove around its central character, there is something you can look forward to. Its sequel *Inside Out 2* is now streaming on OTT platforms and City Flix brings you a review of what to expect.
