Building Tomorrow's Biomedical Workforce: Evaluation of How Evidence-Based Training Programs Align Skill Development and Career Awareness with a Broad Array of Professions Adriana

Bankston, Rebekah L. Layton, Audra Van Wart, 2025-08-27 Building the future STEM workforce requires robust federal investments to support the next generation of innovators as well as systemic changes to enable graduate and postdoctoral researchers to transition with confidence into the biomedical workforce This effort involves the transformation of the biomedical research enterprise and training environment at all levels but especially at the predoctoral and postdoctoral levels Innovative initiatives in education and training as well as career and professional development of biomedical trainees are necessary to build upon the robust biomedical workforce of today and create and sustain a diverse innovative and highly trained biomedical workforce of tomorrow An important aspect of supporting the biomedical workforce relates to changes within training and the research enterprise with opportunities for re imagining what STEM education should look like at different levels including providing agency for junior scientists in the field The future of the field should focus on inclusivity supporting trainees from different backgrounds and with diverse perspectives including but not limited to intersectional identities in race ethnicity gender sexual orientation first generation status and international talent in STEM This requires critical policy changes in order to support the transition of biomedical research professionals into the labor market

Screen to Screen Selling: How to Increase Sales, Productivity, and Customer Experience with the Latest Technology

Doug Devitre, 2015-10-30 Screen to Screen Selling is one of the most powerful tools you will ever use. It's on your desktop, your laptop, your tablet, and your smartphone. It puts face-to-face accessibility at your fingertips, delivers high impact at a low cost, and opens up a whole new world of sales possibilities. From remote business meetings to long distance presentations to live customer feeds, screen to screen is where it's at. And since it works on multiple platforms, it's wherever you want to go. That's the power of Screen to Screen Selling: a game-changing step-by-step guide that shows you how to **INCREASE SALES** by reaching out to customers anywhere in the world, **BOOST PRODUCTIVITY** by making every meeting count, getting every worker on board, and keeping every customer engaged, **IMPROVE PERFORMANCE** by using visual aids in your screen-to-screen meetings, presentations, and conversations, **ENHANCE CUSTOMER EXPERIENCE** by delivering the kind of personal one-on-one service they won't find anywhere else. Filled with money-saving tips, time-saving strategies, and practical tech-smart solutions to all your business needs, screen to screen selling is the perfect go-to guide for making person-to-person connections that really count and really pay off. If the success of your business depends upon your ability to communicate, influence, persuade, or present ideas that solve problems, you need to harness the power of screen-to-screen technology to help you get the job done faster, more efficiently, and more affordably. This essential user's guide provides all the information you need to access and implement the best digital and online tools available for conducting remote meetings, sales presentations, training sessions, and much more. Screen to Screen Selling will show you how to boost sales performance and customer experience without being physically present. Choose the right technology for the right job and the right budget. Prepare the best visuals for every transaction, every client, every time you connect. Find the highest-rated apps, software, and online services at the lowest price possible. Visually demonstrate value that only you can provide in a way that makes you stand out from the competition. Conduct meetings, train employees, coach teams, and give presentations that captivate audiences and seal the deal every time. Jam-packed with field-tested strategies, user-friendly tips, and market-ready solutions, this comprehensive guide will help you reduce your costs, manage your time, expand your customer base, and run your meetings more efficiently, even if you can't be there in person. You'll find revealing case studies of successful screen-to-screen sellers, as well as valuable presentation tools, security tips, and other online resources. As a bonus, the book includes a selection of links to screen-to-screen tutorials, webinars, checklists, and presentation slides so you can access the information across multiple devices in multiple ways. These simple but powerful techniques can be applied to virtually any industry. Even if your primary responsibility isn't sales, you can use this innovative technology to make better decisions, stronger connections, and more new contacts than ever before. It's the picture-perfect way to sell your vision, coast-to-coast, person-to-person. Screen to screen. Doug Devitre is the founder of Doug Devitre International Inc.
