Learning English with AI Gusti Astika, 2025-04-27 Learning English with AI is a practical and inspiring guide for high school and college students in Indonesia and beyond who want to boost their English skills using the power of Artificial Intelligence. This book makes learning English easier, faster, and more fun with the help of smart student-friendly tools. Through ten simple chapters, students will discover how AI can support everyday practice, improve writing and speaking, and personalize their learning journey. From chatbots to games, stories to simulations, each chapter offers hands-on activities that build confidence in reading, writing, speaking, and listening. More than just a language guide, this book also teaches students how to use AI safely and wisely, encouraging critical thinking, creativity, and responsible use. By the end, learners will be able to create their own AI-powered study plans and feel proud of how far they've come. With AI as a learning partner, mastering English becomes more exciting and empowering than ever.
