**Remote Workplace Culture** Sean O'Meara, Cary Cooper, 2022-03-03 The way we work has changed, and a strong, supportive company culture is key for success. When employees work remotely, even occasionally, HR professionals and business leaders need to think differently. A strong and effective company culture that is built specifically with this purpose in mind is crucial. *Remote Workplace Culture* is a practical guide that shows how to achieve this and explains why simply replicating what used to happen in the office in a virtual environment doesn't work. This book shows how a strong culture for remote, hybrid, and flexible working helps attract the best talent, whether this is nationally or globally, and explains how to prioritize inclusion. There is also specific guidance on wellbeing initiatives, how to replace social learning in a hybrid or remote working culture, and how to avoid common pitfalls such as an overreliance on
