If you re looking for a step by step walkthrough on how to start a podcast right from the ground with no previous experience then keep reading

The medium of podcasting and the personal nature of it the relationship you build with your listeners and the relationship they have with you they could be just sitting there chuckling and listening there s nothing like that

Marc Maron Podcasting is the expressional medium with therapeutic value we ve been missing in our lives for decades

Luckily popularity has been growing exponentially over the last few years

did you know the number of Americans who are weekly podcast listeners over the last 7 years has tripled

Let alone a 24% increase in the UK from 2018 2019

Although there s never been a better time to get into podcasting with all the contradicting and often false information scattered all over the internet it s no wonder why so many people often struggle to find a starting point when there s so many conflicting views on what the best quality equipment is what launch strategy should be used and even editing

In fact it can even create the illusion that starting a podcast is a daunting and time consuming process

You might be reluctant to commit to something you lack both knowledge and experience in or you re worried that when you do make that leap there ll be no one on the other side listening

Maybe you re skeptical of whether you ll be able to get guests on as a newbie with no name to yourself

In **Podcasting Made Simple** you will discover The X factor that leaves listeners craving their next fix of your content

The secret to creating an immersive parasocial relationship with your audience

Why trying to monetize incorrectly can actually ruin your chances of turning your hobby to an income

Why many podcasters advertisement and promotion actually repels potential listeners

How to create a loveable personal brand through emotional familiarity

The simple straight forward guide to recording and editing equipment recommendations included

5 simple tricks to make postproduction a breeze

How to choose and execute the launch strategy that s right for you

Why over half of podcasts are given up on by 6 months down the line

How to format the perfect email that

will get sponsors running your way even if you have a low listenership Unique ways to start attracting guests and become an authoritative figure The pre guest ritual that guarantees a free flowing interview The single most important voice technique that you can use to differentiate your show from competitors This digestible guide is made for people who have no experience so yes this will work for you even if you ve never spoken into a microphone Even if you re not a technology guru and have no presence on social media Even if you have an extremely busy schedule and a low budget Even if you think your content ideas are absolutely absurd and no one will listen Even if there are thousands of podcasts similar to yours already published and you have no marketing experience If you re ready to start your podcasting journey then scroll up and click the Add to Cart button now      *Create Your Own Million Dollar Podcast* Horace Harriott, 2025-08-11 Here s the truth podcasting does not have to be expensive In fact some of the most popular and beloved podcasts were born in kitchens closets and cars recorded with nothing but a cheap microphone a laptop and a stubborn passion for sharing an idea That s what this book is about breaking the myth that you need a professional studio or a big budget to create something worth listening to I m going to show you how to start a podcast for less than the cost of a decent pair of shoes and make it sound like you spent hundreds You ll learn exactly what gear you really need and what s just marketing hype which free and low cost tools work best for recording and editing and how to make the most of the space you already have whether that s your bedroom your garage or the corner of a coffee shop
