Cigar Box:

Handbook of American Cigar Boxes Tony Hyman,1979 *Cigar Box Lithographs* Charles J. Humber,2019-12-05 Just as this publication was ready for the printer a very rare cigar box was listed on an internet auction site Recognizing its rarity and extraordinary appeal a decision was made to bid on it with the hopes of purchasing it As author I won But I also knew that it was too late to include this Davy Crockett cigar box alongside the more than 100 other cigar boxes already headlined and profiled in this particular 200 page volume After winning the bid a final decision was made to illustrate this cigar box on the back cover of this production In so doing readers have a chance to scrutinize a very rare and a one of a kind cigar box Of course any cigar box that lithographically headlines Davy Crockett usually identifies the famous American frontiersman with the Alamo see this Volume page 114 and how he and 200 Texans were killed in 1836 by Santa Anna s 1500 strong Mexican forces A wide spread interest in Davy Crockett ever since has become the norm Tennessee Ernie Ford popularized him in 1955 with his hit The Battle of Davy Crockett John Wayne immortalized Davy Crockett when he played the famous frontiersman in the 1960 Hollywood blockbuster The Alamo The stunning lithographic print on the inside lid of a wooden cigar box made by William Simpson of Massachusetts circa 1900 now highlights this back cover of this book and demonstrates the ultimate bravery of a young Davy Crockett protecting individuals inundated with a blizzard and petrified of wolves trying to push their way into the pioneer Log Cabin see this Volume pages 108 109 that the legendary frontiersman is valiantly guarding and resolutely defending This Davy Crockett lithographic print is one of the highlight prints of the book
