The True Church and Its Characteristics of Unity, Peace and Purity Jacob S. The covenants and the covenanters: covenants, sermons, and documents of the covenanted reformation Covenants, 1895 **The Reformed and Celibate Pastor** Seth D. Osborne, 2021-12-06 Richard Baxter 1615 1691 was arguably the greatest English Puritan of the seventeenth century He is well known for his ministerial manual *The Reformed Pastor* in which he expressed the unusual conviction that parish ministers were better off unmarried And yet Baxter seemed to contradict himself by marrying one of his parishioners Margaret Charlton Though Baxter claimed to be happily married he continued to champion celibacy for the rest of his life This book explores Baxter's argument for clerical celibacy by placing it in the context of his life and the turbulent events of seventeenth century England His viewpoint was shaped by several factors including the Puritan literature he read the context of his parish ministry his burdensome model of soul care and the formative life experiences shaping his theology and perspective These factors not only explain why Baxter became the only Puritan to champion clerical celibacy but also why he continued to do so even after marrying **Lives of the Leaders of the Church Universal, from Ignatius to the Present Time ...** Ferdinand Piper, Henry Mitchell MacCracken, 1880 **The Unauthorized Guide to Choosing a Church** Carmen Renee Berry, 2003 Wise and humorous This guide introduces readers to the beliefs and worship practices of major Christian denominations *The Chapel Bell* , 1922 **Lives of the Leaders of Our Church Universal** Ferdinand Piper, Henry Mitchell MacCracken, 1879 **The Watchman** , 1904 **The Message of Ephesians** John Stott, 2021-01-12 Paul's letter to the Ephesians clearly sets forth God's eternal purpose to create the church God's new society In this revised BST volume John Stott expounds Paul's theme of uniting all things in Christ by uniting his church Guiding readers passage by passage through Ephesians he provides helpful background highlights key themes and offers applications for Christians today **James Owen and the Defense of Moderate Nonconformity** Jason

Matossian,2022-01-17 The period of Revolution and Toleration in England was filled with rapid change political uncertainty and ecclesiastical volatility Still recovering from the strife of Civil War and a divisive Restoration the relationship between the Church of England and Nonconformists remained deeply strained Although Dissenters were granted the right to gather for worship under Toleration their legitimacy was regularly challenged Within this context a variety of significant controversies arose in which James Owen a Welsh Presbyterian minister played a prominent role and was a leading voice for moderate Nonconformity Along with a group of moderate Nonconformist friends like Edmund Calamy Philip and Matthew Henry and Francis Tallents Owen defended a version of Protestant ecumenism This was a theological conviction that 1 the unity of the Protestant Church was indispensable and 2 this unity was to be found in agreement on essential doctrines not in sharing ecclesiastical structures Owen along with his associates defended the Dissenters separation from the Church of England as biblically sanctioned and at the same time emphasized that such separation was not schismatic Owen s clear biblically articulate and historically informed writing made his contribution to the period of Toleration significant and influential
