Tales of a Mommy's Sippy-cup Mary E. Haddock, 2016-10-15 Have you ever wondered what's in a mommy's sippy cup Maybe a refreshing jug of water infused with lemon a protein shake packed with extra kale or just maybe it's the unassuming adult cocktail Let's face it being a mom and wife isn't always the fairytale we think it's cracked up to be instead of princess dresses and a waiting knight in shining armor most mothers are judged as if it's still 1950's suburbia Being a woman is challenging and women have not only become afraid to be honest with others but with themselves Tales of a Mommy's Sippy Cup started as a blog that impressively offended residents of the author's small town The controversy wrapped snug around the honest matter of fact tenacity facing the functions of motherhood often ignored Mary Haddock not only embraces the actuality of her motherly role but the social pariah she had become amongst the superficial parents in her community She went against the grain and wrote down her personal narrative for all to enjoy Equipped with a sippy cup tip at the end of each tale Haddock makes clear that fellow mama warriors are not alone in this insane universe called motherhood So grab your special sippy cup with your choice of adult beverage and let's sit back and laugh at how moms try to keep it real Cheers
