This guide walks you through why you should be using LinkedIn and how to use it the right way to unleash the platform's unique power for your success. This book, the 7th in the acclaimed Wellington's 5 Minute Guides For Success series, covers in a short and easy-to-understand way such topics as How To Create A Professional Profile, Showcase Your Work, Watch Who's Watching You, Finding Your Group, Keeping Your Account Active, Providing Value, Expertise, Why Sharing Is Caring, Sponsoring Your Content, Essential Resources You'll Need For Your Entrepreneurial Journey, and About The Wellington's 5 Minute Guides For Success Series.

Roman Alexander Wellington decided to launch a series of beginner-focused short read style books focused on the most essential areas of success that could be read quickly and referred back to often by new entrepreneurs. Wellington's 5 Minute Guides For Success cover topics including Entrepreneurship, Mindset, Leadership, Business Branding, Personal Branding, Content Marketing, and Digital Marketing. While Mr. Wellington's full-length books focus more in depth on each subject area, the 5 Minute Guides are intended to provide beginner-friendly tips, strategies, explanations, and reference points. These guides are for readers who are looking for more information on one of the covered topic areas but don't have several hours to sit and read a full-length book on it. He hoped this short read style would help him reach readers just starting their entrepreneurial journey who may be interested in building businesses or brands of their own and we're looking for a simple way to start learning what was required.

The books within the Wellington's 5 Minute Guides For Success series are not intended to provide in-depth coverage of each topic nor are they for readers with extensive previous experience, although they could certainly be helpful refreshers. They are intended to help a beginner understand the basics and help aspiring entrepreneurs avoid getting information overload. By providing shorter, less complex and more easily digestible information, Mr. Wellington hoped that it would be enough to spark the interest of his readers, encourage them to learn more, and provide the initial knowledge needed for them to take their first steps in their entrepreneurial journey.
