**The Magic of Remote Work** Joshua King, 2022-08-16 Going into the office has lost the luster it once demanded. Today we stay in overly long meetings, lack training resources and watch our fellow employees play on their phones all day. Remote work can be a dream come true for top performers. I envision that most remote workers will soon work in a freelance style consulting capacity. It is becoming increasingly expensive to maintain a large number of lazy employees. Do you have what it takes to be a consistent remote worker? The traits that make you an above-average remote worker will allow you to become an investor, content creator and entrepreneur. The magic of remote work is that it opens the door to many of our income streams. Good Luck.
