**Culture** Luciana Paulise,2022-05-13 Today's global complex and disruptive business environment demands companies to make their organizations more adaptive and agile. It's imperative that organizations upskill their personnel and set their culture intentionally. The companies that develop this culture right will have an incredible competitive advantage. Leading change is everybody's job; nobody can do it alone. A systemic and collaborative approach is needed, a 'we culture' mentality. The *We Culture* book will help you create a culture in the future of work to increase employee engagement, agility, quality, and innovation through the 12 skills CARE model for hybrid workplaces. You will find real-life examples and interviews with company leaders, hands-on exercises in every chapter, opportunities for blended learning with the *We Culture* platform including videos, blogs, and audio content. *We Culture* is an invitation to co-create a culture of conscious teamwork where we can bring our whole selves to work while simultaneously producing more cost-effective products and services to become more customer-oriented.
