The Catechumenal Process Overview Chart Association for Catechumenal Ministry, 2013 Year-round Catechumenate Mary Birmingham, 2002 Christian initiation is a gradual process suited to the spiritual journey of adults that varies according to the many forms of God's grace the free cooperation of the individuals the action of the Church and the circumstances of time and place How does that fit into a program modeled after the school year It doesn't argue Mary Birmingham The Rite of Christian initiation of adults describes an initiation process that exists at the heart of the church's life and on the same schedule as the church every day all year long This book will help you imagine envision understand and implement a year-round catechumenate in your parish Book cover *The Rites of Christian Initiation* Maxwell E. Johnson, 2007 Originally published in 1999 The Rites of Christian Initiation was hailed for its clarity and comprehensiveness Kieran McDonnell OSB called it the best overall treatment of Christian initiation available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West It is sure to replace itself as the new standard reference on the rites of Christian initiation Maxwell E. Johnson's expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church including two chapters that explore the pre-Nicene Eastern and Western traditions in detail Revisiting the theology of baptism this edition also provides more nuanced positions on the Eastern and Western traditions Finally recent liturgical developments in American Protestant churches particularly Lutheran as well as the ongoing development of the RCIA and confirmation practices of Catholics made it necessary to revisit the place and meaning of these rites in the church today Maxwell E. Johnson PhD is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America He has published in *Worship* and is the editor of and contributor to *Living Water Sealing Spirit Readings on Christian Initiation* Liturgical Press 1995 and the revised and expanded edition of *E.
