late as 1900 most whites regarded the tropics as the white man s grave a realm of steamy fertility moral dissolution and
disease So how did the tropical beach resort white sand blue waters and towering palms become the iconic vacation
landscape Tropical Whites explores the dramatic shift in attitudes toward and popularization of the tropical tourist Southland
in the Americas Florida Southern California Mexico and the Caribbean Drawing on a wide range of sources Catherine Cocks
examines the history and development of tropical tourism from the late nineteenth century through the early 1940s when the
tropics constituted ideal winter resorts for vacationers from the temperate zones Combining history geography and
anthropology this provocative book explains not only the transformation of widely held ideas about the relationship between
the environment and human bodies but also how this shift in thinking underscored emerging concepts of modern identity and
popular attitudes toward race sexuality nature and their interconnections Cocks argues that tourism far from simply
perverting pristine local cultures and selling superficial misunderstandings of them served as one of the central means of
popularizing the anthropological understanding of culture new at the time Together with the rise of germ theory the

emergence of the tropical horticulture industry changes in passport laws travel writing and the circulation of promotional materials national governments and the tourist industry changed public perception of the tropics from a region of decay and degradation filled with dangerous health risks to one where the modern traveler could encounter exotic cultures and a rejuvenating environment **Embracing and Managing Change in Tourism** Bill Faulkner, Eric Laws, Gianna Moscardo, 2003-09-02 Examines management responses to the major changes taking place in international tourism and considers tourism itself as an agent of change **Directory of Publishing** Cassell Staff, 1994 Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1999 A revised and updated guide to reference material It contains selective and evaluative entries to guide the enquirer to the best source of reference in each subject area be it journal article CD ROM on line database bibliography encyclopaedia monograph or directory It features full critical annotations and reviewers comments and comprehensive author title and subject indexes The contents include philosophy and psychology religion social sciences sociology statistics politics economics labour and employment land and property business organizations finance and banking and economic surveys economic policies and controls trade and commerce business and management and law public administration social services and welfare education customs and traditions geography biography and history **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 Willing's Press Guide and Advertisers' Directory and Handbook , 2003 Subject Guide to Books in Print , 1993
