The Curious Trajectory of Caste in West Bengal Politics Ayan Guha, 2022-09-26 The Curious Trajectory of Caste in West Bengal Politics Chronicling Continuity and Change critically engages with the dynamics of caste in the politics of West Bengal which unlike other parts of India has remained relatively free from large scale caste based political mobilisation The insignificance of caste in West Bengal politics has remained an enigma Yet Caste question in West Bengal politics has remained under researched However there has been a growing interest in the politics of caste in West Bengal in recent years and this interest has grown due to the end of the world s longest serving democratically elected Communist government 1977 2011 that followed a class centric non identitarian politics It is in this backdrop that this book explores the reasons for the relative insignificance of caste in post colonial West Bengal s politics and also assesses the future possibilities of caste based identity politics in the state New Approaches Towards the 'Good Life' Hans-Uwe Otto, Sabine Schäfer, 2014-08-13 The Capability Approach founded by Amartya Sen and Martha Nussbaum offers a justicebased analytical framework for human development The contributions to the present volume show how the Capability Approach can be applied productively in empirical analyses of the life situations of young people and the educational institutions they attend in different parts of the world including Serbia Kosovo Kenya India Greece and Germany Moreover the volume helps to extend the Capability Approach by relating it to different theoretical and methodological approaches such as the capability concept of Paul Ricoeur critical materialism critical discourse analysis and biographical research Thus the volume delivers comprehensive insights into the social injustices to be found not only on the level of individual life paths but also in institutions and in educational policy while showing innovative ways of applying the Capability Approach in the social sciences *Understanding Social Dynamics in South Asia* Partha Nath Mukherji, N.
