A Team of Their Own Seth Berkman, 2019-10-01 A December Stephen Curry Book Club Pick One of ESPN s 25 Can t Miss Books of 2019 A feel good story New York Times Book Review This isn t simply a sports book Rather it s a book about inspiring and courageous women who just happened to be hockey players Korea Times The inspiring unlikely story of the American Canadian South Korean and even North Korean women who joined together to form Korea s first Olympic ice hockey team Two weeks before the opening ceremony of the 2018 Winter Olympics

South Korea's women's hockey team was forced into a predicament that no president, ambassador or general had been able to resolve in the sixty-five years since the end of the Korean War. Against all odds, the group of young women were able to bring North and South Korea closer than ever before. The team was built for this moment. They had been brought together from across the globe and from a wide variety of backgrounds: concert pianist, actress, high school student, convenience store worker, to make history. Now the special kinship they had developed would guide them through the biggest challenge of their careers. Suddenly thrust into an international spotlight, they showed the powerful meaning of what a unified Korea could resemble. In *A Team of Their Own*, Seth Berkman goes behind the scenes to tell the story of these young women as they became a team amid immense political pressure and personal turmoil and ultimately gained worldwide acceptance on a journey that encapsulates the truest meanings of sport and family. *American Film History*, Cynthia Lucia, Roy Grundmann, Art Simon, 2015-09-08
