Watson,2003-05-02 On April 20 1999 Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both supposedly answered Yes and were killed Within days of their death Cassie and Rachel were being hailed as modern day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers Cassie and Rachel as innocents martyred for faith also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents According to police investigators however Cassie and Rachel may never have been asked by their killers about God They may have been simply victims of a senseless crime rather than martyrs to a cause *The Martyrs of Columbine* provides a careful examination of the available evidence and attempts to discover what really occurred Despite these questions the martyr stories continued to be told and the religious and political use of Cassie and Rachel continues The popular significance of the martyrs of Columbine persists and may even be growing How and why is this happening *The Martyrs of Columbine* is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion politics and culture **Day of Reckoning** Wendy Murray Zoba,2002-03-01 [A Mother's Reckoning](#)

Dylan Klebold and Eric Harris two seniors at Columbine High School in Littleton Colorado walked into their school and shot to death twelve students and one teacher and wounded many others It was the worst single act of murder at a school in U S history Few people knew Dylan Klebold or Eric Harris better than Brooks Brown Brown and Klebold were best friends in grade school and years later at Columbine Brown was privy to some of Harris and Klebold s darkest fantasies and most troubling revelations After the shootings Brown was even accused by the police of having been in on the massacre simply because he had been friends with the killers Brown with journalist Rob Merritt tells his full version of the story He describes the warning signs that were missed or ignored and the evidence that was kept hidden from the public after the murders He takes on those who say that rock music or video games caused Klebold and Harris to kill their classmates and explores what it might have been that pushed these two young men from supposedly stable families to harbor such violent and apocalyptic dreams Shocking as well as inspirational and insightful No Easy Answers is an authentic wake up call for all the psychologists authorities parents and law enforcement personnel who have attempted to understand the murders at Columbine High School As the title suggests the book offers no easy answers but instead presents the unvarnished facts about growing up as an alienated teenager in America today This edition contains a new afterword that describes what has happened in the United States since Columbine and provides updates on the aftermath of the massacre
