The Atlantic, 1985

Phoenix From the Ashes Carl B. Yoke, 1987-11-13 This interesting and unusual collection of essays explores the post holocaust theme as it has been treated in science fiction and fantasy literature Seen in a positive mode this theme offers a powerful metaphor for exploring man's relationship to his social structure The post holocaust motif the editor contends literally permits the exploration of many sub topics such as rebirth social patterns evolution devolution entropy history

ecology ethics medicine personal values and so on
