Your Eternal Reward Erwin W. Lutzer, 1998-01-09 Face to Face with Christ No hiding No opportunity to put a better spin on what you did No attorney to represent you The look in His eyes says it all Like it or not standing before Christ is precisely where you and I shall some day be for we must all appear before the judgment seat of Christ 2 Corinthians 5:10 And while we will not lose our entrance to heaven if we are believers what we do in our earthly life will determine our standing in the eternal kingdom There are eternal consequences to what we do Jesus will not wink at our disobedience He does not play favorites We will be rewarded according to our faithfulness There is no exception no special deferment When God calls our name we will be there We cannot hide for God will find us we cannot scheme to make ourselves look good for God shall see us We cannot excuse ourselves for God knows us In *Your Eternal Reward* pastor Erwin Lutzer teaches readers not only the effects of the Judgment Seat of Christ and the Great White Throne but shares what Jesus will be looking for and how we can use the resources of this life to store up treasures in heaven This life is training for the next We are to be learning the rules of the kingdom and running the race to win the prize Christ has promised to His faithful servants When He calls your name will you hear Him say Well done good and faithful servant

Age of the Spirit John Maiden, 2022-12-06 This expansive study offers an interpretation of the new Pentecost the rise of charismatic Christianity before during and after the long 1960s It examines the translocal actors networks and media which constructed a Spiritscape of charismatic renewal in the Anglo world contexts of Australia the British Isles Canada New Zealand South Africa and the United States It places this arena also in a wider and dynamic worldwide setting exploring the ways in which charismatic imaginations of an age of the Spirit were shaped by interpenetrations with the Third World the Soviet Bloc and beyond in the global Sixties and Seventies *Age of the Spirit* explains charismatic developments within Protestantism and Catholicism mainline and non denominational churches and within existing pentecostals and places these in relation to lively scholarly themes such as secularisation authenticity and cosmopolitanism It offers an unrivalled analysis of charismatic music books television conferences personalities community living and controversies in the 1960s and 1970s It looks forward to the many global legacies of charismatic renewal for example in relation to the politics of sexuality in the Anglican Communion or to support for President Donald J Trump The essential question at the heart of this book is relevant for scholars and practitioners of Christianity alike how did charismatic renewal transform the churches in the twentieth century moving from the periphery to the mainstream

Dancing With The Devil Kathleen Dryden, 2025-02-21 *Dancing With The Devil* is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a

Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn't belong unless we give him access through the choices we make that reject Christ's statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land
