

A serene sunset scene over a vast ocean. The sky is a gradient of warm orange and yellow, transitioning into a darker blue at the horizon. The water is calm, reflecting the soft light of the setting sun. In the foreground, dark, silhouetted waves are visible, adding depth to the image. A large, white, sans-serif quote is centered in the upper half of the image, and a small red rectangular box containing the author's name is positioned below it.

We are in the days of miracles  
and wonders that will eventually  
eclipse those of any other time.

*End-Times Prophecy and "The Last Days"* Kendall Brashears, 2024-08-19 End Times Prophecy and The Last Days invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God s will for individuals and his whole world Kendall Brashears distills over three decades of dedicated study and presents it with the skill of a seasoned educator His hard work has yielded an approachable guide to ancient and sometimes difficult texts featuring verse by verse explanations of key passages Through his prophetic research and years of teaching Brashears will explore the following Are we living in the last days as described by the Bible What end time events are we seeing in the world today Will the Rapture of believers precede the Tribulation and if so how will it occur and what will it look like Will we know who the Antichrist is before the Rapture and how will we recognize him If there is a seven year Tribulation on earth what will it be like and who will go through it The answers to these questions and many more are discussed thoroughly in this study If you have wondered what God has planned for his world if you ask yourself whether distressing events signal the coming end of human history or if you want to grow in your knowledge of the details contained in the Bible s prophetic and apocalyptic passages then End Times Prophecy and The Last Days will serve you well as a tool for deepening your understanding You will emerge from your experience with a breadth of knowledge that provides guidance both for recognizing the changes that are occurring in the world today and for clinging to the assurance of God s plan for care and comfort in uncertain times **Our Day**, 1898 **The Acts of the Apostles** David Thomas, 1889 **The Church of the First Days** Charles John Vaughan, 1890 **The Latter-Day Saints' Millennial Star**, 1897 **Our Family's Testament to Modern-Day Miracles and Supernatural Healing** Katara Tyler, 2025-07-10 Our Family s Testament to Modern Day Miracles and Supernatural Healing provides readers with an overview of how the church and God s people must utilize all tools provided by the completed work of Jesus Christ as we advance the kingdom of God through testimonies and the ministry of miracles healing and deliverance [The Lost World of Russia's Jews](#) Abraham Rechtman, 2021-06-01 In 1913 Abraham Rechtman journeyed through the Russian Pale of Settlement on a mission to record its Jewish folk traditions before they disappeared forever The Lost World of Russia s Jews is the first English translation of his extraordinary experiences originally published in Yiddish documenting a culture best known until now through romanticized works like Life Is with People and Fiddler on the Roof In the last years of the Russian Empire Abraham Rechtman joined S An sky s Jewish Ethnographic Expedition to explore and document daily life in the centuries old Jewish communities of the Pale of Settlement Rechtman described the key places where Jewish life and death were experienced and connected these sites to local folklore and customary practices Among the many unique contributions of his memoir are riveting descriptions of traditional Jewish healers and exorcists many of them women and their methods and incantations Rather than a nostalgic portrait of an imagined shtetl Rechtman succeeded in producing an intimate account of Jewish life and death that is highly nuanced and richly detailed The Lost World of Russia s
