Days Like Prose:

The New Young American Poets Kevin Prufer, 2000 An anthology of poems written by forty poets born after 1960 **A Day Like Any Other** Nathan Kernan, 2025-08-05 The long awaited biography of the mercurial troubled brilliant poet James Schuyler the Pulitzer Prize winner who helped shape the New York School of poetry in the 1960s Nathan Kernan's *A Day Like Any Other* The Life of James Schuyler is the definitive biography of the great American poet who along with Frank O'Hara Barbara Guest John Ashbery and Kenneth Koch was an original member of the so called New York School of poetry Opening with Schuyler's legendary first public reading in 1988 Kernan goes back to trace the tumultuous arc of the poet's life and work Born in Chicago in 1923 James Schuyler grew up in Washington DC and upstate New York before moving to New York City in 1944 where he fell into the social orbit of the poet W H Auden After two years in Italy he returned to New York in 1949 and began to publish his first poems There he met fellow poets O'Hara Ashbery Guest and Koch For many years he lived outside the city in Southampton Long Island in a close relationship with the painter Fairfield Porter and his family and spent his summers in Maine Schuyler's subsequent years in New York City were marked by poverty and mental illness yet it was during this time that he wrote some of his greatest poems After his move to the Chelsea Hotel in 1979 the poet's circumstances began to turn around and when he died much too soon at sixty seven his life was stable and fulfilled In praise of Schuyler's poetry John Ashbery wrote To reread him is to live as though life were an experience one had just forgotten and been newly awakened to Schuyler's work embodies the quiet beauties of the natural world and the mundane stuff of everyday existence even as his own life was often messy and troubled *A Day Like Any Other* Kernan's absorbing biographical study explores this and other paradoxes of Schuyler's singular life within the vibrant milieu of mid century New York's poets and painters **Say It Hot, Volume II:** Eric Miles Williamson, 2014-10-15 *Say It Hot Volume II* Industrial Strength is a collection of essays on American poets fiction writers nonfiction writers and issues of interest to artists and academics A companion volume to *Say It Hot* these essays are brutally honest and acutely intelligent From the book Literary authors these days no longer make livings off their work Their books are not to be found in bookstores and the books are rarely printed by major New York publishing houses No one reads their works except for other literary authors and the professors who are evaluating their tenure and promotion folders at the colleges and universities at which they are employed and it's a minor miracle if a literary book from a small press sells a thousand copies Fiction writers from wealth write about writing or they write about the ridiculous sufferings of the rich Fiction writers from the lower classes write about the primordial filth from which they've physically escaped but from which they'll never mentally be able to leave behind Like war veterans people who've fought it out in the miasma of poverty and blue collar hell can never get the stink out of their skins try as they may Just like people who haven't been to war can spot vets who have middle class people and the rich can spot people who've grown up poor no matter what their position in life or the quality of their designer suits Those suits just don't fit right and the
