#### **Days Of Noah:**

**As It Was in the Days of Noah** Jeff Kinley, 2014-04-01 The story of Noah is one of the most captivating in all the Bible Yet most people remember it mainly as a children's story found in picture books and heard in Sunday school classes But this tragedy really took place and widely overlooked is Jesus stunning prophecy that the final days of planet Earth would be just as it was in the days of Noah His point That there would be striking parallels between Noah s day and the end times with warnings of God's imminent judgment upon the world Is Jesus prophecy now being fulfilled And if yes how then should we respond As It Was in the Days of Noah explores the similarities between the two periods such as the rapid rise in evil and increasingly flagrant disregard for God A powerful resource that examines the signs that we re nearing the end times affirms the urgency of reaching the lost with God's compassion and truth equips you to live wisely and redeem the time so it counts As It Was in the Days of Noah Manie Du Preez, 2011-02-28 Doom gloom tribulation apocalypse Armageddon 2012 plagues earthquakes wars rumours of warsthese have all become synonymous with what we call the end times Is this really the end that the creator of heaven and earth had in mind when He created all things Did He fail in His original plan Has He lost his grip on creation Is He still in control How did He plan to end what He started Will there be a rapture Will there be great tribulation Will it end in war and ruins Or does the God of the universe have a far greater plan than most men anticipate Let us travel back in time to the days of Noah and get some insight into Gods plans for creation As He said But as THE DAYS OF NOAH were so also will the coming of the Son of Man be **As It Was in the Days of Noah** Jeff Kinley, 2022-11-01 As it was in the days of Noah so it will be at the coming of the Son of Man Matthew 24 37 Noah s story is remembered as a Sunday school lesson taught with felt board animals yet the Bible paints a darker picture one in which earth's people grew so wicked God had to destroy them in a global flood Millenia later Jesus prophesied the same widespread spiritual rebellion would mark the days leading into the end times From bestselling prophecy author Jeff Kinley As It Was in the Days of Noah reveals the parallels between the time before flood and our current culture highlighting the rise in evil the surge in immorality and the pandemic of godlessness This book examines the signs that the end times are rapidly drawing neareraffirms the urgency of reaching the lost with God's compassionate truthequips believers to live wisely making their days count for eternity As It Was in the Days of Noah illuminates the biblical evidence that God's judgment is imminent and reveals how Noah s story provides a deep reservoir of hope for all who follow Christ Days of Noah C S DeCaro, 2021-10-30 We are indeed living in days described by Jesus as like the Days of Noah Jesus said it would be like this prior to His coming The pages of end time Bible prophecy are unfolding right before our eyes today Most people realize something isn t quite right and are looking for answers The pandemic chaos division and mandates that jeopardize your livelihood and limit where you can buy and sell the strange way the world's political leaders have decided to respond What's really going on Where is all of this leading Is the Church asleep If you want to know what s going on today the Days of Noah

provide the answers Most people don t realize that we are currently living in a prophetic moment that the Bible describes in great detail As we walk through some very powerful and prophetic passages that were written for the precise moment in time in which we are presently living now I hope that it will build your faith more in the authority of the scriptures and light a fire under you to overcome fear in order to be used by God in ways you may not thought you were capable of It s time for the Church to lift our voices unto heaven and take action in solidarity to overcome the evil of our day You were created for this moment in time right now to be used by God He chose you This Is A Book You Will Want To Share With Your Pastor Family And Friends **Just Like the Days of Noah** Jan Darnell, 2012 For the coming of the Son of Man will be just like the days of Noah Matthew 24 37 Human actions in the days of the great flood grieved God enough for Him to intervene with global judgment against sin and deception The people of Noah's time refused to acknowledge God and thus were not prepared for His judgment Consider this we live in an age of apostasy widespread abuse and horrifying violence Rather than humble ourselves before our righteous and loving Creator we aspire to the greed and idolatry of the rich and famous So in terms of anticipating the return of Jesus Christ how many of us are preparing with confident knowledge of what His return entails Just Like the Days of Noah by author and Bible teacher Jan Darnell brings us a new deep and essential understanding of the revelation and second coming prophecy in Matthew 24 Christ's message from Mt Olivet is a beacon of light in these confused and unstable times His timeline of events cuts straight through even the most complex schemes and debatable theories of our day Throughout this encouraging and challenging seven week Bible study Darnell expertly guides a careful exploration of the text and shows how we can personally respond to Jesus s message and prepare our lives for His return The Days of Noah: <u>Understanding the Fulfillment of Last Days Prophecies</u> Ayo Akerele, 2015-07 At no other time in history has humanity moved so close to eternity The signs of the end time are getting clearer on the walls of our streets and nations yet it still does not appear as if the bride of Christ is fully prepared to receive her Groom Satan has unleashed on humanity an unimaginable avalanche of evils many of which will still be dwarfed by those that are coming in the days ahead Many of the signs that exemplified the generation of Noah are now playing out in our generation as a script In the days of Noah many celebrated wined and dined but ended up as victims of a mighty holocaust In our present generation many are getting married and being given in marriage Most are feasting wining and dining while very few are fasting The memory of eternity and the imminent arrival of the Master has been completely obliterated from the minds of most believers So many Christians and their Christian leaders are completely oblivious of the imminent arrival of the Master and the perils of the evil days that will follow We are now living in the twenty first century days of Noah For as it was in the days of Noah so shall it be also in the days of the Son of man Ayo Akerele holds a doctorate degree in human resource management and worked extensively in the corporate world in Africa Europe and North America for many years before answering the call to ministry By the wisdom of God he has founded the Trailblazers Global brand with offices in Nigeria the United Kingdom and Canada with ongoing

initiatives for expansion into all the major continents of the world Ayo Akerele is a sought after intercessor dynamic writer public speaker and anointed teacher of the word His itinerant prayer teaching and speaking ministry under different Christian organizations has lasted for many years since he met the Lord in the early 1980s and has been of immense blessing to many people around the world Noted for his particular insight into the supernatural works of Jesus in the four Gospels of the New Testament he carries by the grace of God a contagious passion for knowledge and truth in the word of God that has positioned him as a foremost author and teacher in this generation His deepest desire is to see the body of Christ take its proper position in God by modelling the works and exemplary life of Christ through the teaching of the undiluted word of God the demonstration of valid and authentic signs and wonders and above all the preaching of the gospel across all nations as the curtain is being drawn for the return of our Lord Jesus Christ He is the founder of Voice of the Watchmen Ministries in Toronto Canada with book publication teaching and prophetic outreaches around the world Ayo Akerele is married to Omolara Olawunmi Akerele and they are blessed with two great sons Enoch and John "The Story of Noah's Ark", in a Course of Eight Sermons for Lent and Easter, Preached in S. Helen's Church, Tarporley Augustus Francis Tollemache, 1873 As the Days of Noah Charles Edmond McCraw, Jr, 2024-11-30 When Jesus said as the days of Noah my heavenly father got me to understand that it was more deeper meaning and understanding than just eating and begiven in marriage so this book contain a spiritual meal with meat and milk for the soul to get full of And just like any meals one might not like everything on the spiritual plate but eat and drink what you can but at least taste it even if one doest like veggies but it is good for you There is a lot of meat and milk in this book but the greatest book for a good meal is the word of God the bible Never skip that meal And this book just rightly dividing the word of God so it might be better understood but not to take one away from the word of God so enjoy and God bless every one that read this book Charles Mccraw is my name am a truck driver by trade I was born again as a child in my teenage years Married with two boys I have been growing in the Lord for most of my life And still growing Am just a sinner save by grace that has been giving the opportunity to write a book on what the Lord has revealed to me in his scriptures and just to simply share this knowledge for those that will receive it And I am honored that my heavenly father would you use me for this task From the Days of Noah Joshua Wholesomer, 2022-03 Whenever I read chapters 5 to 7 in the book Genesis in the Bible I was confused that God judged human beings by the flood My eyes always stopped at the verse 5 of chapter 6 The intention of man's heart was evil from childhood they thought evil at all times imaging evil from morning to night My version Is that the main reason I have tried to find out what evil they always thought and imagined violence raping murdering lying deceiving or something terrible This novel is like a journey to find out the most wicked thing to the eyes of the Lord When I wrote more stories I realized that people grew more wicked than before as cities were bigger and civilization flourished more Finally I found out one important thing that the Lord could not help but punish the entire earth by flooding even though he really loved the world so much Fortunately Noah was different found

favor in the eyes of the Lord who is our ancestor Jesus says As it was in the days of Noah so it will be at the coming of the Son of Man Mat thew 24 37 NIV I have wondered how people in the days of Noah lived Inspired when I pictured what the most wicked thing was how it started to rain for the first time how a gopher wood ship was coated with pitch and what fruit the Tree of Life looked like I decided to write this novel It starts with a story of the day when Noah was born and then three innocent brothers were tragically murdered at the Maadan of Light The Legend of Noah Don Cameron Allen, 1949 This book is devoted to tracing the effect of the literal and historical interpretation of the story of Noah on the literary and artistic treatments of the legend in the sixteenth and seventeenth centuries It begins with a sketch of the controversy about the value of reason in religion passes to the guarrel about the relative values of the Hebrew Greek and Vulgate texts of the Bible and then centres on the attempts to prove the actuality of a universal Flood There are chapters on the literal explanations of how the Flood could have occurred and how the Ark could have been built to accommodate all necessary creatures The author also considers the various scientific explanations of these matters and of fossils the diversity of animals and the origin of diverse peoples such as the American Indians Finally he traces the effects of these arguments on literature and art and shows that as the attempts to prove the story did just the opposite the imaginations of poets and artists were liberated to do with the tale what pleased or amused The Discovery of Noah's Ark, Final and Decisive John Martin Woolsey, 1910 **Days of Noah** Doreen Schultz, 2014-03 Where did we come from Why are we here What is our purpose in life What happens to us after we die These and many more are some of the questions Dr John Tabb answers in his book Truth Most people have difficulty understanding God and his word or how the Bible applies to their daily life It was written thousands of years ago in another language making it difficult to understand at times The varying religions in the world and differing interpretations of the Bible add to the confusion In Truth Dr John Tabb reveals truths from the Bible in an easy to read and understandable way for those seeking the truth As In The Days of Noah C. Rae Johnson, 2017-04-19 There is a battle going on as we are caught up in the midst of Spiritual Warfare Is your shield up sharp piercing dividing soul in our relationships both personal work politically educationally medically physically mentally and spiritually Are we too carefree in allowing our innocence our freedoms to be overtaken and changed for us placing us in bondage Though times have changed with advanced technologies of every type our human race has gone backwards again living in tremendous evil back to the Days of Noah It may seem so overwhelming hard to regain freedom But we do have hope and we have promises The Days of Noah DANIEL OWARE.
