Days Of Summer:

All the Days of Summer Nancy Thayer, 2024-05-21 A woman's second act on the island of Nantucket delivers much more than she expected in this captivating novel by New York Times bestselling author Nancy Thayer. A beautiful hope-filled heartwarming story about new beginnings and second chances. RaeAnne Thayne, author of *The Cafe at Beach End*. Heather Willette has a good life in Concord, Massachusetts. But when her marriage fizzles out, Heather has to decide what sort of life to live next. Ready to seek out her own happiness and discover herself again, Heather decides to leave her husband and rent a cottage on Nantucket. And her plan is going perfectly until her son Ross announces he's moving to Nantucket to work at his girlfriend's family's construction business instead of going back home to work with his own father like he'd promised. Worst of all for Heather, this means having to get along with her. Kailee Essex is thrilled that Ross is willing to move to her hometown. She has big hopes for their happily ever after, especially now that her parents are finally showing interest in her career. She's less thrilled, however, about his mother living nearby. Kailee has clashed with Heather since the day they met. But anything is possible in the summer sun and sea breezes of Nantucket, even reconciliation. And when change comes sooner than either Heather or Kailee expect, they must learn to overcome their differences to fight for the future they want. With *All the Days of Summer*, beloved storyteller Nancy Thayer delivers a moving novel that explores the complexity of family and the unexpected ways fate can guide you forward.

13 Days of Summer Stephanie Kate Strohm, 2025-06-03 This unforgettable and fun novel follows three best friends and one hot hitchhiker entering their summer road trip era. It's all about that reputation. It's the summer after senior year of high school for Carson, Noemi, and Eleanor, and they intend to live it up while they can. What could be more epic than a cross-country road trip to see Taylor Swift in concert? Along the way, the friends pick up a mysterious and charming guy who is stranded at a rest stop. Is that a James Dean daydream look in his eyes? As she and Carson hit it off, Carson gets a crash course in love at first sight. But as attractions grow, so too do tensions among the friends. Will the group make it to the concert with relationships intact? Or is there too much bad blood? At its core, a novel about the power and possibility of friendships sprinkled with just enough romance and set against the ultimate summer playlist. This lighthearted read is both a quintessential teen romance and coming-of-age novel that will stay with readers long after Taylor sings her last note.

Dog Days of Summer Teri Wilson, 2024-06-25 The Hill Country is no match for Manhattan. Or is it? The only thing standing between Maple Leighton and her dream of becoming a veterinarian is just one year in small-town Bluebonnet, Texas. But fulfilling the conditions of her scholarship won't be easy, especially once buttoned up. Maple learns why she was left the quaint practice. Plus, she has to contend with knowing it all: town pediatrician Ford Bishop. Gregarious Ford is clearly suspicious of Maple's motives. But as his suspicion fades and as Maple makes friends throughout town with the help of a gorgeous golden retriever, the attraction sparking between the unlikely duo can't be denied. There's just something about the Texas sun that might give these two opposites a new leash on love. From Harlequin Special Edition. Believe in love.
