Beethoven Mendelssohn Schubert At daybreak on a summer morning in the year 1815 a short thick set sturdy built man entered his sitting room and at once set to work to compose music Not that he disturbed the slumbers of the other inhabitants by untimely noises upon the pianoforte a course which at three in the morning might be resented by even the most enthusiastic admirer of his genius No he sat down at his table with plenty of music paper and addressed himself to his usual avocation of writing assiduously till noon or thereabouts The untidy uncomfortable condition of his room did not distress Ludwig van Beethoven in the least About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Bookman* ,1911 Bulletin [1908-23] Boston Public Library,1914 **Studies of Great Composers** Charles Hubert Hastings Parry,1902 **What Killed the Great and Not So Great Composers?** Joseph W. mental illnesses Although some individuals surrendered to their disabilities for a variety of reasons others were able to rise above their infirmities and produce the wonderful music mankind has enjoyed through the centuries Rachmaninoff: The Illustrated Lives of the Great Composers. Matthew Robert Walker, 2011-08-01 In this biography Robert Walker skilfully blends the fascinating story of Rachmaninoff's life with the historical background of his times The author shows too how outside influences the 1905 and 1917 revolutions the Great War the Wall Street Crash and the Great Depression very much affected Rachmaninoff as an artist As well as the use of contemporary accounts letters and reminiscences the author has obtained recollections first hand from distinguished musicians who knew the composer intimately and worked closely with him The Book is illustrated throughout with photographs of the time which are as fascinating as the text *The great composers, or Stories of the lives of eminent musicians*, by C.E. Bourne John Joseph Brown, 1884 **The Private Life of the Great Composers** John Frederick Rowbotham, 1892 **Studies of Great Composers** Charles Hubert Hastings Parry, 1904 **The great composers** George Titus Ferris, 1887 *University Musical Encyclopedia: Great composers*, 1910 *The Great Composers Portrayed on Film, 1913 through 2002* Charles P.
