Dayton Ohio An Intimate History:

Dayton, Ohio Charlotte Reeve Conover,1932 Dayton, Ohio Charlotte Reeve Conover,1932 **Dayton, Ohio** Charlotte Reeve Conover,1997-11-01 **From Huffman Prairie to the Moon** Lois E. Walker,Shelby E. Wickam,1986

Dayton, the Gem City Bruce W. Ronald,Virginia Ronald,1981 **A Place of Recourse** Roberta Sue Alexander,2005

The first history of a federal district court in a midwestern state A Place of Recourse explains a district court s function and how its mission has evolved The court has grown from an obscure institution adjudicating minor debt and land disputes to one that plays a central role in the political economic and social lives of southern Ohioans In tracing the court s development Alexander explores the central issues confronting the district court judges during each historical era She describes how this court in a non slave state responded to fugitive slave laws and how a court whose jurisdiction included a major coal mining region responded to striking workers and the unionization movement The book also documents judicial responses to Prohibition New Deal legislation crime mass tort litigation and racial desegregation The history of a court is also the history of its judges Accordingly Alexander provides historical insight on current and past judges She details behind the scenes maneuvers in judicial appointments and also the creativity some judges displayed on the bench such as Judge Leavitt who adopted admiralty law to deal with the problems of river traffic A Place of Recourse demonstrates that at least in the Southern District of Ohio the federal district court has played the role its creators hoped it would upholding federal law even when the citizens of the region actively opposed such enforcement *The Ohio State Archaeological and Historical Quarterly* ,1945 **Lincoln's Northern Nemesis** Martin Gottlieb,2021-09-09 Clement Vallandigham an Ohio opponent of the Civil War and of abolition was thrown out of the country by Abraham Lincoln because of his political views As a result of his banishment Vallandigham became a martyr to his cause and was nominated for governor by the Democratic Party in 1863 He ran the race from exile The stakes in this colorful campaign were enormous and Lincoln was highly involved worrying that a Vallandigham victory would be seen as a rejection of the war by voters That could have been devastating to the Union cause It also would likely have made Vallandigham a former congressman from Dayton a presidential prospect This book tells the story of a unique event in American history a president significantly Lincoln banishing a leading opponent with that opponent then being nominated by a major party for high office in an important state Ohio State Archaeological and Historical Quarterly ,1945 **Ohio Archaeological and Historical Quarterly** ,1945 Publications of the Ohio Archaeological and Historical Society ,1945 *TIME INC. 10 1906 Alice Ruth Moore estranged wife of renowned early twentieth century poet Paul Laurence Dunbar boarded a streetcar settled comfortably into her seat and opened her newspaper to learn of her husband s death the day before Paul Laurence Dunbar son of former slaves whom Frederick Douglass had dubbed the most promising young colored man in America was dead from tuberculosis at the age of 33 Lyrics of Sunshine and Shadow traces the tempestuous romance of America s most noted African American literary couple Drawing on a variety of love letters diaries journals and autobiographies Eleanor Alexander vividly recounts Dunbar s and Moore s tumultuous affair from a courtship conducted almost entirely through letters and an elopement brought on by Dunbar s brutal drunken rape of Moore through their passionate marriage and its eventual violent dissolution in 1902 Moore once having left Dunbar rejected his every entreaty to return to him responding to his many letters only once with a blunt one word telegram No This is a remarkable story of tragic romance among African American elites struggling to define themselves and their relationships within the context of post slavery America As such it provides a timely examination of the ways in which cultural ideology and politics shape and complicate conceptions of romantic love *Women of Ohio* Ruth Neely,1939 Ohio Local History in the Bicentennial Year John McConagha,1978 **African American History Day by Day** Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool **Hidden History of Dayton, Ohio** Tony Kroeger,2021 Series statement from publisher s website
