The Ghosts of NASCAR John Havick, 2013-10-01 Who won the first Daytona 500 Fans still debate whether it was midwestern champion Johnny Beauchamp declared the victor at the finish line or longtime NASCAR driver Lee Petty declared the official winner a few days after the race The Ghosts of NASCAR puts the controversial finish under a microscope Author John Havick interviewed scores of people analyzed film of the race and pored over newspaper accounts of the event He uses this information and his deep knowledge of the sport as it worked then to determine what probably happened But he also tells a much bigger story the story of how Johnny Beauchamp and his Harlan Iowa compatriots mechanic Dale Swanson and driver Tiny Lund ended up in Florida driving in the 1959 Daytona race The Ghosts of NASCAR details how the Harlan Boys turned to racing cars to have fun and to escape the limited opportunities for poor boys in rural southwestern Iowa As auto racing became more popular and better organized in the 1950s Swanson Lund and Beauchamp battled dozens of rivals and came to dominate the sport in the Midwest By the later part of the decade the three men were ready to take on the competition in the South's growing NASCAR circuit One of the top mechanics of the day Swanson literally wrote the book on race cars at Chevrolet's clandestine racing shop in Atlanta Georgia while Beauchamp and Lund proved themselves worthy competitors It all came to a head on the brand new Daytona track in 1959 The Harlan Boys' long careers and midwestern racing in general have largely faded from memory The Ghosts of NASCAR recaptures it all how they negotiated the corners on dirt tracks and passed or spun out their opponents how officials tore down cars after races to make sure they conformed to track rules the mix of violence and camaraderie among fierce competitors and the struggles to organize and regulate the sport One of very few accounts of 1950s midwestern stock car racing The Ghosts of

NASCAR is told by a man who was there during the sport's earliest days
