De Bello Gallico and Other Commentaries Julius Caesar, 2017-10-22 This complete edition of Caesar's Commentaries contains all eight of Caesar's books on the Gallic War as well as all three of his books on the Civil War masterfully translated into English by W A MacDevitt Caesar's Commentaries are an outstanding account of extraordinary events by one of the most exceptional men in the history of the world "De Bello Gallico" and Other Commentaries Caius Julius Caesar, 2022-08-31 The Notes of the Gallic War Lat Commentarii de Bello Gallico is a work by Gaius Julius Caesar in which in eight books he described his conquest of Gaul in 58-50 BC as well as the two crossings of the Rhine and the landing in Britain in a precise concise and energetic manner The exact date of his writing is unknown The last book after Caesar's death was completed by Aulus Hirtius who prefaced it with his epistle to Balbo Caesar narrates in the third person mentioning in passing invaluable geographical and ethnographic details e.g. the most detailed description of the Druids The Latins called comments what we call notebooks today that is where notes are entered for memory Only they were made in ancient Rome on waxed tablets specially processed so that the wax hardened quickly and the tablet could be stored for a long time According to the title Caesar's book is a dry summary of the events of the war in Gaul France Belgium England which Caesar himself called inhospitable and of no value for conquest in the middle of the first century BC and the actions of the author as a commander and ruler This book also contains Notes on the Civil War Lat Commentarii de Bello Civili on the civil war in Rome 49-45 BC which act as a continuation of the Notes on the Gallic War It is assumed that the Notes were written in 47 BC between the wars in Alexandria and Spain and were not completed "De Bello Gallico" & Other Commentaries. (The War in Gaul. [With the Continuation Ascribed to Hirtius.]-The Civil War.) (Translated by W.A. Macdevitt. With an Introduction by Thomas de Quincey.). Caius Julius CAESAR, William Alexander MACDEVITTE, 1915 De Bello Gallico and Other Commentaries (The War Commentaries of Julius Caesar: The War in Gaul and The Civil War) Julius Caesar, 2006 De Bello Gallico and Other Commentaries The War Commentaries of Julius Caesar The War in Gaul and The Civil War is a collection of war writings by Julius Caesar Included in this volume are the first hand recollections of one the most important figures in the history of human civilization Julius Caesar The Gallic War Books 1-8 and The Civil War Books 1-3 as translated by W A Macdevitt are included in this volume De Bello Gallico and Other Commentaries Jules César, 1923 **De Bello Gallico And Other Commentaries** Caius Julius Caesar, 2006-01-01 **De Bello Gallico and Other Commentaries - The Original Classic Edition** Julius Caesar, 2012-02 Caesar's Commentaries on the Gallic War starts with an account of Gaul and goes on to cover Caesar's defeat of first the Helvetians and then the Germans under Ariovistus The Introduction to this edition of the Latin text gives background information on the Rome of Caesar's time on Caesar himself and on the composition and reliability of his commentaries on Gaul and on the Roman Army Useful Notes on the text Index of names and a Vocabulary are all included This book is very well put together The glossary at the back is very helpful especially because there are words which weren't

taught in first year Latin Highly recommended **De Bello Gallico and Other Commentaries of Julius Caesar** Julius Caesar, 2012-06-02 *Commentarii de Bello Gallico* English Commentaries on the Gallic War is Julius Caesar's firsthand account of the Gallic Wars written as a third person narrative In it Caesar describes the battles and intrigues that took place in the nine years he spent fighting local armies in Gaul that opposed Roman domination "De Bello Gallico" & Other Commentaries. (The War in Gaul. [With the Continuation Ascribed to Hirtius.] - The Civil War Julius Caesar, 1915 *De BELLO GALLICO and OTHER COMMENTARIES: (Annotated)* Caius JULIUS CAESAR, 2021-05-16 The character of the First Caesar has perhaps never been worse appreciated than by him who in one sense described it best that is with most force and eloquence wherever he really did comprehend it This was Lucan who has nowhere exhibited more brilliant rhetoric nor wandered more from the truth than in the contrasted portraits of Caesar and Pompey The famous line Nil actum reputans si quid superesset agendum is a fine feature of the real character finely expressed But if it had been Lucan's purpose as possibly with a view to Pompey's benefit in some respects it was utterly and extravagantly to falsify the character of the great Dictator by no single trait could he more effectually have fulfilled that purpose nor in fewer words than by this expressive passage Gaudensque viam fecisse ruina **De Bello Gallico, & Other Commentaries** Julius Caesar, 1929 *"De Bello Gallico" & Other Commentaries of Caius Julius Caesar*, 2006-09-01 Conqueror of Western Europe emperor of Rome JULIUS CAESAR 44 B C 100 B C is considered one of the keenest political and military minds of all time and his commentaries on his own campaigns rank with Sun Tzu's *The Art of War* as required reading for anyone who wishes to grasp the soldierly skills of tactics and strategy In this 1915 edition MacDevitt's translation is considered masterful we are privileged with Caesar's firsthand accounts of his war in Gaul and his own civil war Discover how to negotiate a surrender how to motivate troops in the face of seemingly insurmountable odds where to establish a strategic camp how to use even poor weather to your best advantage how to take advantage of unfavorable ground and much more **Armies of Julius Caesar 58-44 BC** Raffaele D'Amato, François Gilbert, 2021-09-16 Gaius Julius Caesar remains the most famous Roman general of all time Although he never bore the title historians since Suetonius have judged him to be in practice the very first emperor after all no other name in history has been synonymous with a title of imperial rule Caesar was a towering personality who for better or worse changed the history of Rome forever His unscrupulous ambition was matched only by his genius as a commander and his conquest of Gaul brought Rome its first great territorial expansion outside the Mediterranean world His charismatic leadership bounded his soldiers to him not only for expeditions beyond the edge of the world to Britain but in the subsequent civil war that raised him to ultimate power What is seldom appreciated however is that the army he led was as varied and cosmopolitan as those of later centuries and it is only recently that a wider study of a whole range of evidence has allowed a more precise picture of it to emerge Drawing on a wide range of new research the authors examine the armies of Julius Caesar in detail creating a detailed picture of how they lived and fought *"De Bello Gallico" and Other Commentaries of*
