De Kooning An American Master:

de Kooning Mark Stevens, Annalyn Swan, 2006-04-04 Winner of the Pulitzer Prize and National Book Critics Award Circle Award An authoritative and brilliant exploration of the art life and world of an American master Willem de Kooning is one of the most important artists of the twentieth century a true painter's painter whose protean work continues to inspire many artists In the thirties and forties along with Arshile Gorky and Jackson Pollock he became a key figure in the revolutionary American movement of abstract expressionism Of all the painters in that group he worked the longest and was the most prolific creating powerful startling images well into the 1980s The first major biography of de Kooning captures both the life and work of this complex romantic figure in American culture Ten years in the making and based on previously unseen letters and documents as well as on hundreds of interviews this is a fresh richly detailed and masterful portrait The young de Kooning overcame an unstable impoverished and often violent early family life to enter the Academie in Rotterdam where he learned both classic art and guild techniques Arriving in New York as a stowaway from Holland in 1926 he underwent a long struggle to become a painter and an American developing a passionate friendship with his fellow immigrant Arshile Gorky who was both a mentor and an inspiration During the Depression de Kooning emerged as a central figure in the bohemian world of downtown New York surviving by doing commercial work and painting murals for the WPA His first show at the Egan Gallery in 1948 was a revelation Soon the critics Harold Rosenberg and Thomas Hess were championing his work and de Kooning took his place as the charismatic leader of the New York school just as American art began to dominate the international scene Dashing handsome and treated like a movie star on the streets of downtown New York de Kooning had a tumultuous marriage to Elaine de Kooning herself a fascinating character of the period At the height of his fame he spent his days painting powerful abstractions and intense disturbing pictures of the female figure and his nights living on the edge drinking womanizing and talking at the Cedar bar with such friends as Franz Kline and Frank O Hara By the 1960s exhausted by the feverish art world he retreated to the Springs on Long Island where he painted an extraordinary series of lush pastorals In the 1980s as he slowly declined into what was almost certainly Alzheimer's he created a vast body of haunting and ethereal late work

De Kooning Mark Stevens, Annalyn Swan, 1953 de Kooning, 1965

De Kooning John Elderfield, Willem De Kooning, Lauren Mahony, Jennifer Field, Delphine Huisinga, Susan Lake, 2011 This publication offers an unparalleled opportunity to appreciate the development of the artist's work as it unfolded over nearly seven decades beginning with his early academic works made in Holland before he moved to the United States in 1926 and concluding with his final sparely abstract paintings of the late 1980s

Willem de Kooning Nonstop Rosalind E. Krauss, 2016-03-01 In the early 1950s Willem de Kooning's *Woman I* and subsequent paintings established him as a leading member of the abstract expressionist movement His wildly impacted brushstrokes and heavily encrusted surfaces baffled most critics who saw de Kooning's monstrous female image as violent aggressive and ultimately the product of a misogynistic

mind In the image rich Willem de Kooning Nonstop Rosalind E Krauss counters this view with a radical rethinking of de Kooning s bold canvases and reveals his true artistic practices Krauss demonstrates that contrary to popular conceptions of de Kooning as an artist who painted chaotically only to finish abruptly he was in fact constantly reworking the same subject based on a compositional template This template informed all of his art and included a three part vertical structure the projection of his male point of view into the painting or sculpture and the near universal inclusion of the female form which was paired with her redoubled projection onto his work Krauss identifies these elements throughout de Kooning s oeuvre even in his paintings of highways boats and landscapes Woman is always there A thought provoking study by one of America s greatest art critics Willem de Kooning Nonstop revolutionizes our understanding of de Kooning and shows us what has always been hiding in plain sight in his work Women of Abstract Expressionism Joan Marter,2016-01-01 This publication contains a survey of female abstract expressionist artists revealing the richness and lasting influence of their work and the movement as a whole as well as highlighting the lack of critical attention they have received to date **Willem de Kooning** Susan Lake,2010 This in depth study of the paintings of Willem de Kooning 1904 1997 from the 1940s through the 1970s breaks new ground in its analysis of the artist s working methods and yields new information about previously unreported materials De Kooning s idiosyncratic working methods have long engendered intense speculation and debate among conservators and art historians primarily on the basis of visual inspection and anecdotal accounts rather than rigorous technical analysis This is the first systematic study of de Kooning s creative process to use comprehensive scientific examinations of the artist s pigments binders and supports to inform art historical interpretations thereby presenting a key to the complicated evolution of the artist s work Written for conservation scientists conservators specialists in modern art history museum curators and practicing artists this book offers insights into the way an artist can achieve radical changes in style The technical discussions will have practical applications for conservators curators collections managers and collectors who care for twentieth century art *Harold Rosenberg* Debra Bricker Balken,2021-10-06 Despite being one of the foremost American intellectuals of the mid twentieth century Harold Rosenberg 1906 1978 was utterly incapable of fitting in and he liked it that way Signature cane in one hand and a cigarette in the other he cut a distinctive figure on the New York City culture scene with his radiant dark eyes and black bushy brows A gangly giant at six foot four he would tower over others as he forcefully expounded on his latest obsession in an oddly high pitched nasal voice And people would listen captivated by his ideas With *Harold Rosenberg A Critic s Life* Debra Bricker Balken offers the first ever complete biography of this great and eccentric man Although he is now known mainly for his role as an art critic at the New Yorker from 1962 to 1978 Balken weaves together a complete tapestry of Rosenberg s life and literary production cast against the dynamic intellectual and social ferment of his time She explores his role in some of the most contentious cultural debates of the Cold War period including those over the commodification of art and the erosion of individuality in favor of celebrity demonstrated in his

famous essay *The Herd of Independent Minds* An outspoken socialist and advocate for the political agency of art he formed deep alliances with figures such as Hannah Arendt Saul Bellow Paul Goodman Mary McCarthy Jean Paul Sartre Willem de Kooning and Jackson Pollock all of whom Balken portrays with vivid accounts from Rosenberg's life Thoroughly researched and captivantly written this book tells in full Rosenberg's brilliant fiercely independent life and the five decades in which he played a leading role in US cultural intellectual and political history American Masters: the Voice and the Myth Brian O'Doherty, 1973 An intimate and stimulating look at the private lives and the work of eight famous modern American artists by the editor of *Art in America* Abstract Expressionism and Other Modern Works Metropolitan Museum of Art (New York, N.Y.), 2007 An exhibition organized by the Metropolitan Museum of Art of the Muriel Kallis Steinberg Newman Collection which comprises sixty three modern paintings sculptures and works on paper by fifty artists The Abstract Expressionist paintings that form the heart of this collection were nearly all created in New York City ArtUS., 2005 **Journal of the Archives of American Art**, 2005 **Willem de Kooning** Judith Zilczer, 1993 In the early 1960s and established his art within the pastoral tradition of painting as well as within the social context of America in the 1960s She views his art of these years as analogous to the approaches to art taken by many of the Old Master painters who achieved old age styles late in life A pioneering essay on the technical qualities of de Kooning's work reporting on results of infrared examination and other conservation analyses by Zilczer and Susan De Kooning Harry F. Gaugh, Willem De Kooning, 1983 Willem de Kooning had a restless probing creativity pushing on from one style to the next The battle between abstraction and figuration was essential to his art as he moved from the profound black and white abstractions of the 1940s to the ferocious Women of the 1950s through the later landscapes and the final lyrical abstractions This richly illustrated volume offers a perceptive and sympathetic view of an artist who made some of the greatest art of this century The variety the inventiveness the sheer quality of de Kooning's work demand our attention and reward us with visual riches Book jacket **American Masters** Brian O'Doherty, 1982 Hopper's Voice Davis colonial cubism Pollocks Myth De Kooning notes toward a figure Tothko the tragic and the transcendental Rauschenb the sixties Wyeth outsider on the right Cornell outsider on the left **Willem De Kooning** Sally Yard, 2007 Text by Sally Yard Interview by Harold Rosenberg James T Valliere *The New Yorker*, 2004 *Het Noordatlantisch licht, 1960-1983* Willem De Kooning, 1983 The New York Times Index, 2005 **Arts Digest**, 1983
