

La division du travail social de Durkheim (1893)

I. FONCTIONS ET CAUSE DE LA DIVISION DU TRAVAIL DANS LES SOC MODERNES

1) Les fonctions de la division du T

La division du T social est très importante : il tend à expliquer les états de crises dans laquelle se trouvent les sociétés modernes.

Durkheim se pose la Q suivante : Comment se fait-il qu'en devenant de plus en plus autonome, libérés de leur tutelle, dépende de + en + de la société ? Ils sont aussi + solidaire : c'est une transformation de la solidarité sociale.

Les économistes pensent que plus on s'organise dans le travail, plus on atteint les richesses. Ce n'est pas du tout la définition de Durkheim.

Pour lui, on ne peut pas définir la DT à la mécanisation des tâches. Elle a aussi une autre fonction : une fonction sociale : La véritable fonction de la DT est de créer un sentiment de solidarité. Cela ne consiste pas seulement à produire davantage, elle est aussi ce qql chose qui nous permet d'être dépendant les uns des autres.

2) Les causes du développement de la division du T

19^e siècle : le passage d'une solidarité mécanique à une solidarité organique. L'apparition de la DT consiste à la répartition des rôles et des fonctions entre les membres d'une société. Et cette complémentarité s'explique par le fait qu'il y a 2 formes de solidarité sociale ect.

-Solidarité mécanique-

En analysant les soc contemporaines, D se pose la Q de savoir quelle est la nature de la conscience collective. On peut l'observer en comparant les communautés traditionnelles avec les soc modernes : pour D, donc les soc dites tradi> La solidarité sociale est avant tout créé par la similitude entre les individus, qui partagent les mêmes sentiments, obéissent aux même croyance ... La communauté prime, et il y a une forme particulière de droit : ce qui est sanctionné est la transgression par un membre qui fait l'unité du groupe : il ne partage donc plus la même conscience collective. Cette forme de solidarité repose sur les sentiments, l'interchangeabilité des rôles, sur les croyances communes, qui repose sur l'idée que la conscience collective est plus forte que les consciences individuelles.

-Solidarité organique-

La DT montre que de passer d'une solidarité à l'autre, chacun se différencie des autres, chacun s'individualise, ce qui prédomine le droit repressif pour ce que l'on va sanctionner, c'est la désorganisation. C'est de rappeler toujours et sans cesse qu'il a transgresser les règles et faire en sorte qu'il réintègre le corps social : ces crimes ne remettent pas en cause l'existence même du groupe.

De La Division Du Travail Social 5e A Dition:

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **De La Division Du Travail Social 5e A Dition**

In a global inundated with displays and the cacophony of quick conversation, the profound power and mental resonance of verbal beauty frequently fade into obscurity, eclipsed by the continuous assault of sound and distractions. However, nestled within the musical pages of **De La Division Du Travail Social 5e A Dition**, a charming work of literary brilliance that impulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that magical opus instructions readers on a mental odyssey, delicately revealing the latent potential and profound affect stuck within the complex web of language. Within the heart-wrenching expanse of this evocative examination, we can embark upon an introspective exploration of the book is main subjects, dissect its interesting writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
