

DE WRAAK VAN DE PUBLIEKE ZAAK PIETER HILHORST DE BALIE

DE STAAT VAN HET COLLECTIEF 2

"De overheid moet terugtreden én optreden", schreef minister Peper in zijn essay over de verhoudingen tussen overheid en samenleving. Het is deze paradox die de politiek al twee decennia parten speelt. De kritiek op het idee van een maakbare samenleving heeft niet geleid tot een overheid die minder stuurt maar tot een overheid die op een andere manier stuurt. Pieter Hilhorst onderscheidt vier stromingen. Sommigen richten hun pijlen op het verderfelijke gedogen. Anderen verwachten het heil van de markt. Weer anderen pleiten voor een responsieve of een bedrijfsmatige overheid. In *De wraak van de publieke zaak* onderzoekt hij de prestaties van deze benaderingen door vijf controversiële kwesties onder de loep te nemen (de handhaving van milieuwetten, de reïntegratie van arbeidsongeschikten, de kwaliteit van het onderwijs, de terugkeer van afgewezen asielzoekers en het ruimtelijke ordeningsbeleid). Waar is de afschaffing van de Haagse bedilacht werkelijk een bevrijding geweest en waar heeft het op afstand plaatsen van de politiek geleid tot een afstandelijke politiek? Hilhorst betoogt dat regeren achter-uitalen is. De grotere beleidsvrijheid van scholen, bedrijven en individuele ambtenaren moet worden aangevuld met politieke oordelen achteraf. Dat is de wraak van de publieke zaak. De behartiging van het publieke belang kan niet zonder de politiek waarin velen het geloof verloren hebben. Het is echter wel een ander soort politiek die zich gedeeltelijk afspeelt op andere fora.

Pieter Hilhorst is journalist en columnist (o.a. voor de Volkskrant)

De Wraak Van De Publieke Zaak

**Netherlands. Sociaal en Cultureel
Planbureau**

De Wraak Van De Publieke Zaak:

De wraak van de publieke zaak Pieter Hilhorst, 2001 *Evidence-based Practice in Medicine and Health Care* Ruud ter Meulen, N. Biller-Andorno, Christian Lenk, Reidar Lie, 2005-12-14 Evidence based Medicine EBM is feared to become a kind of cook book medicine that has nothing to do with the traditional skills and ethics This volume shows the contribution EBM makes and might make to medical practice and health policy It describes as many viewpoints as possible with a focus on the ethical issues that are at stake in this process It shows how EBM has developed from an internal medical issue to an instrument for health policy It is the outcome of the European Project Ethical Issues of Evidence Based Practice in Medicine and Health Care and gives insight into the ethical background of the debate on the role of EBM in various areas of medicine including clinical practice medical education medical research health policy and medical sociology **Perspectives on**

Educational Quality Jaap Scheerens, Hans Luyten, Jan van Ravens, 2011-04-29 The quality of education is a term that is frequently used in public debates Understood in the sense of education being generally okay or rather most frequently as not okay Perhaps there is an overruling nostalgic view that formerly education was better than today In scholarly discourse there are those who maintain that the quality of education is an illusive term with varying interpretations in different settings and by different stakeholders In this book the complexity of the concept of education quality is recognized but a conceptual framework is presented that makes quality despite its complexity amenable to rational and empirical analysis Productivity equity effectiveness efficiency and responsiveness of education systems are seen as key facets of quality A concrete set of indicators is presented that makes for the measurement of these quality facets In the second part of the book the quality framework is applied to an analysis of the quality of education in the Netherlands Common sense in the Netherlands is dominated by the view that the quality of education is a cause for serious concern Some recent quality reviews take the same pessimistic outlook However the current overview of indicators on the Dutch system seen from an international perspective presents a picture that is much more positive Still there is always room for improvement in the case of the Netherlands this should probably be sought in diminishing the selectivity of the system as a way to improve participation in higher education Bibliographisch repertorium van de wijsbegeerte , 2004 Aanwinsten van de Centrale Bibliotheek (Queteletfonds) Bibliothèque centrale (Fonds Quetelet), 2002

Hoe vertellen we het de Kamer? Guido Enthoven, 2011

Het geheim van Paleis Kneuterdijk Wouter Hugenholtz, 2008-01-01 J C Baud was de langst dienende minister onder koning Willem II 1840 1849 Hij stond aan het hoofd van het Departement van Koloniën dat van cruciale betekenis was voor het herstel van de overheidsfinanciën Het was de tijd waarin de Nederlandse staat nagenoeg bankroet was en slechts op de been werd gehouden door de koloniale baten die op Java met het Cultuurstelsel werden verkregen Kort na de troonsbestijging van Willem II begon Baud aantekening te houden van de wekelijkse gesprekken die hij met de koning voerde over het koloniale beleid en ook over de binnenlandse politiek in het bijzonder de herziening van de grondwet Baud heeft

deze aantekeningen tot het einde van zijn ministerschap volgehouden Zo ontstond een uniek document dat nagenoeg het hele koningschap van Willem II beslaat namelijk de periode van januari 1841 tot maart 1848 De vijf kleine boekjes waarin Baud zijn aantekeningen maakte zijn altijd in familiebezit gebleven en hebben daar decennia lang een onzichtbaar bestaan geleid Door het vaak onleesbare handschrift was het niet eenvoudig om de aantekeningen op juiste waarde te schatten Systematische studie met aanvullende toelichting heeft van een reeks fragmentarische notities een spannend politiek verhaal gemaakt Dit boek werpt niet alleen een nieuw licht op het omstreden koningschap van Willem II maar gunt de lezer ook een blik in het politieke besluitvormingproces gedurende een periode waarin nog geen sprake was van volledige ministeriële verantwoordelijkheid De aantekeningen illustreren de vooraanstaande rol die Baud als staatsman heeft gespeeld
