Scipio's Dream Cicero, 2017-11-30 De Amicitia Scipio's Dream By Cicero Marcus Tullius Cicero Translated with an Introduction and Notes by Andrew P Peabody Laelius de Amicitia or simply De Amicitia is a treatise on friendship by the Roman statesman and author Marcus Tullius Cicero written in 44 BC Cicero writes about his own experience with friendship Cicero ponders the meaning of this friendship by using the relationship between Scipio Aemilianus and Laelius to expound his views The De Amicitia inscribed like the De Senectute to Atticus was probably written early in the year 44 B C during Cicero's retirement after the death of Julius Caesar and before the conflict with Antony The subject had been a favorite one with Greek philosophers from whom Cicero always borrowed largely or rather whose materials he made fairly his own by the skill richness and beauty of his elaboration Some passages of this treatise were evidently suggested by Plato and Aulus Gellius says that Cicero made no little use of a now lost essay of Theophrastus on Friendship In this work I am especially impressed by Cicero's dramatic power But for the mediocrity of his poetic genius he might have won pre eminent honor from the Muse of Tragedy He here so thoroughly enters into the feelings of Laelius with reference to Scipio's death that as we read we forget that it is not Laelius himself who is speaking
