De Gaulle 3 Le Souverain 1959 1970:

The Rise and Fall of Modern Empires, Volume IV Martin Shipway, 2016-12-05 The collection of essays in this volume offers an overview of scholarly approaches to the ways in which diverse actors representing the colonised or the colonising nations or indeed the international community reacted to colonialism during the lifetime of the modern colonial empires or in their aftermath The coverage is broad in terms of geographical scope and historical period with articles on the major colonial empires in Asia and Africa and the imperial centres of Paris London and Berlin from the conquests of the late nineteenth century to the period of decolonisation The selection also reflects recent academic trends by focusing on countries whose colonial past and experience of decolonisation have been studied and debated with particular intensity such as Algeria Kenya and India The volume draws on previously published articles and book chapters by leading international scholars writing in or translated into English and includes a critical introduction which situates each essay in relation to recent debates in this dynamic and expanding field of study

The Wind of Change L. Butler, S. Stockwell, 2013-06-27 Harold Macmillan's Wind of Change speech delivered to the South African parliament in Cape Town at the end of a landmark six week African tour presaged the end of the British Empire in Africa This book the first to focus on Macmillan's Wind of Change comprises a series of essays by leading historians in the field

Walter Hallstein: The Forgotten European? Wilfried Loth, William Wallace, Wolfgang Wessels, trans Bryan Ruppert, 2016-07-27 Walter Hallstein was among the great European visionaries This is the first book length study of one of the key shapers of the European Community in its early years The range of contributors include those who worked with Hallstein and have personal recollections of him and younger historians drawing upon documents only recently available The book contains sections on his contribution as State Secretary to post war German foreign policy his seminal role as the first President of the Commission of the EEC and the legacy of his work and ideas and later years as President of the European Movement

European Decolonization Martin Thomas, 2017-05-15 This collection brings together twenty one key articles that explore the nature and impact of colonial withdrawal Ranging across all the European colonial powers the articles discuss various aspects of decolonization including the role of political violence changing popular attitudes to empire and the inter actions between colonial conflict and Cold War

NATO, Britain, France and the FRG B. Heuser, 1999-09-03 Containing the histories from 1945 to the present of the nuclear strategies of NATO Britain and France and of the defence preferences of the FRG West Germany this book shows how strategies were functions of a perceived Soviet threat and an American nuclear guarantee There were three options for West Europeans a compromise with differing American needs in NATO pursued by Britain and the FRG national nuclear forces developed by Britain and France and projects for an independent European nuclear force

Leadership and Uncertainty Management in Politics François Vergniolle De Chantal, 2015-08-11 Through a range of international case studies from the USA UK France Germany and Italy this text assesses the conditions necessary for effective leadership and emphasizes the part played by uncertainty

and division amongst followers *Polish-French Relations, 1944-1989* Dariusz Jarosz, Maria Pasztor, 2015 This monograph is a summary of research in twentieth century Polish French relations conducted by the authors over the course of many years This relationship is shown against the background of the dynamic international situation The structure for arguments made in this work consists of events from the years 1944 to 1989 and thus covers the period in which communists took power in Poland and stabilized and solidified their rule over the country In addition to sections devoted to political relations this work contains detailed discussion of economic issues as well as of cultural academic scientific and educational questions The authors devoted individual chapters to relations between the communist parties of both countries arguing that actions taken by these parties influenced the shape of the relationship far beyond inter party collaboration **Securing Peace in Europe, 1945-62** Beatrice Heuser, Robert O'Neill, 2016-07-27 As European security structures are undergoing transformation in the 1990s it is crucial to examine their origins and rationale NATO secured peace and facilitated economic and political co operation while also becoming the vehicle of national rivalry This book examines why and how NATO came into existence and what its strengths and weaknesses were during its formative years It draws conclusions from these experiences relevant to the reforms of Western security structures in the 1990s **European Leaders** Reese T. Moore, 2001 This up to date bibliography gathers materials on ten leaders from 20th century Europe Access is provided via subject and author indexes Contents Charles DeGaulle Winston Churchill Adolf Hitler Benito Mussolini General Francisco Franco Adenauer Konrad Margaret Thatcher Helmut Kohl Francois Mitterand Josip Broz Tito *Bulletin* , 2002 *The Long Entanglement* Lawrence Kaplan, 1999-03-30 The fiftieth anniversary of the long entanglement between the United States and NATO is an appropriate occasion to reflect One of the few NATO studies to concentrate on the history of the alliance particularly the relationship between its senior partner and its European allies this study examines critical issues in depth to uncover the ability of the allies to surmount their internal divisions and to confront their Soviet adversary While NATO archives are still not fully open the use of declassified documents from the National Archives and the presidential libraries are of invaluable assistance in considering the historical role of America in the alliance and the continuing relevance of the organization in U S foreign policy The twelve chapters of this book provide analyses of important issues in the organization s history and are connected by brief contextual narratives The resulting picture depicts a fifty year history in which the difficulties in arriving at a consensus among the fifteen allies each understandably concerned with its own national interests rival those of the alliance in dealing with the Communist threat The implosion of the Soviet empire in the early 1990s left the organization in search of new reasons for its own existence While centrifugal forces are arguably greater today than they were during the Cold War none of the allies seeks to terminate this long entanglement **Archives internationales d'histoire des sciences** , 1996 *The United States and the European Alliance Since 1945* Kathleen Burk, Melvyn Stokes, 1999-07 This text explores the relations between the US and Europe since 1945 It looks at the alliance from different

angles at personal and economic relationships as well as those focusing on defence *NATO and the Warsaw Pact* Mary Ann Heiss, S. Victor Papacosma, 2008 Drawing on recently declassified information this is a study of the various intrabloc tensions that plagued both the NATO and the Warsaw Pact countries during the Cold War and how those tensions affected the working of the alliances *Decolonization and Its Impact* Martin Shipway, 2008 Decolonization and its Impact is a ground breaking comparative study of decolonization from before the Second World War to the early 1960s Compares key cases across the European colonial empires Focuses on the process and impact of decolonization at the level of the late colonial state and of colonial societies Presents an original model of decolonization that seeks to reconcile imperial and nationalist perspectives Engages with important theoretical approaches Makes extensive reference to recent literature on the subject *Crises and Compromises* Wilfried Loth, 2001 *Principles of Comparative Politics* William Roberts Clark, Matt Golder, Sona Nadenichek Golder, 2009 Exploring the debates about political issues that drive current research this text provides a real insight into comparative politics The book looks closely at the work of comparativists and the methods they use **De Gaulle ou l'hypothèque française sur le Canada** Edouard Baraton, 2013-12-01 Les mots vive le Qu bec libre lanc s en juillet 1967 depuis Montr al sont rest s comme les plus c l bres du g n ral de Gaulle Mais comment les comprendre La question doit tre reprise dans son ensemble les ambigu t s de la perte de l Am rique du Nord par la France l pisode gaullien les discours nationalistes canadiens fran ais et fran ais du XIXe si cle avec leur question lancinante quels sont les devoirs de la France envers les Anciens Fran ais d Am rique du Nord ou d ailleurs *Newcomers to Power* Cecilia Garne, 2001 *André Malraux* Curtis Cate, 1997 At the age of seventeen he shocked his parents by abandoning his high school studies going on in just three years to become a prosperous rare book publisher a keen literary critic and an author of fantastic fiction He then turned himself into a self taught archaeologist and staged a bold statue lifting raid on an abandoned Cambodian temple an exploit which catapulted him to notoriety when he was only twenty three
