Contesting Modernity in the German Secularization Debate Sjoerd Griffioen, 2022-01-10 In *Contesting Modernity in the German Secularization Debate* Sjoerd Griffioen investigates the polemics between Karl L with Hans Blumenberg and Carl Schmitt on the role of religion in modernity He analyzes their contributions to the development of the broader German secularization debate between the 1950s and 1980s As this development is traced special attention is paid to how after 1968 this debate increasingly centered on Schmitt's notion of political theology and its appropriation by the Left This is evinced in the work of Jacob Taubes who is opposed by Odo Marquard assuming a Blumenbergian secularist position in this new political landscape Griffioen concludes with a methodological reflection on the value of *Geistesgeschichte* and by identifying parallels with the contemporary discourse of postsecularism
