

An abstract painting of a cityscape. The scene is viewed from a high angle, looking down on a complex arrangement of buildings and structures. A large, prominent red star is situated in the lower right quadrant, partially overlapping a grey building. The color palette is dominated by earthy tones like browns, greys, and yellows, with a bright blue sky and a dark blue body of water or canal winding through the city. The brushwork is visible and expressive, giving the painting a textured, almost sculptural quality. The overall composition suggests a dense, urban environment with a central point of interest marked by the red star.
