**The Curse of Dead Horse Canyon** Marcha Fox,Pete Risingsun,2020-07-28 In 1879 a drunken hoard of silver miners raided a Cheyenne village while the tribe s warriors hunted buffalo A small band of young braves not yet old enough to join the hunt escaped and rode for help Their efforts failed when they were discovered by the raiders who ran them over a cliff along with all the tribe s horses that had been left behind When the warriors returned and found the devastation the tribe s medicine man Black Cloud placed a curse on the site A century and a half later a scandalous Top Secret project is under construction in the same Colorado wilderness Bryan Reynolds discovers that its roots lie in the same greed corruption and exploitation of the Earth that precipitated the curse But before he can expose what he s found he s killed in a suspicious accident that his wife Sara miraculously survives Her memory of where they were or what they d discovered however is gone Neither Sara nor Bryan s life long Native American friend Charlie Littlewolf will rest until they find out what Bryan discovered that resulted in his death Charlie is acutely aware that the only way to solve the mystery is through connecting with his indigenous roots and the grandfather spirits To do so he must return to the teachings of his medicine man grandfather His journey back to the Cheyenne way includes ancient rituals and ceremonies that guide him and Sara to the answers they seek As a descendant of Black Cloud his destiny is deeply embedded in the fulfillment of the original curse which was triggered by what Bryan discovered Charlie s quest has only just begun A government conspiracy lies at the core of the story though this first volume of the trilogy concentrates on Sara and Charlie discovering what Bryan knew that got him killed Modern man s disregard for the environment which conflicts with Native American philosophies of animism and of honoring the Earth plays an important part Past pollution caused by 19th century mining is inherent to the story as well as contemporary activities such as fracking Various paranormal and supernatural elements including detailed descriptions of Cheyenne rituals and ceremonies such as the sacred red pipe ceremonial fasting and the sweat lodge are included The Cheyenne s name for the Great Spirit is Maheo who is referred to throughout There are numerous other worldly situations included based on the experiences of the story s Cheyenne co author While the story is fictitious these depictions are authentic Modern technology plays a significant role in juxtaposition to traditional Native American elements Astronomy and the ancient art and science of western astrology play roles as well in helping direct Sara and Charlie to the answers they need In essence this saga s theme includes the collision of two disparate cultures and their respective attitudes toward the Earth one of which is honor the other exploitation These complexities are what expanded this story into a trilogy Native American history is touched upon but will be covered in greater detail in subsequent volumes      **How Dead Horse Canyon Got Its Name** Victor J. Smith,1924      **Return to Dead Horse Canyon** Marcha Fox,Pete Risingsun,2021-11-24 The Dead Horse Canyon Saga Continues When Charlie Littlewolf and Sara Reynolds discovered why her husband Bryan was murdered their lives changed forever While Charlie swore to avenge his white brother s death the path to do so remains unclear His job

with Lone Star Operations allows him to use his college education and earn a generous income. However, it conflicts with everything he knows as a Native American: to be right. Is violating the Earth wrong or not? Little does he realize that his work will ultimately return him to the Northern Cheyenne reservation where his true indigenous destiny will manifest in ways he never imagined. Sara is determined to fulfill Bryan's last request: to expose the government corruption coupled with the lethal forces that stole his life. Releasing the scandalous Top Secret data via WikiLeaks infuriates those with much to lose who place a high price on her demise. When her response gets too personal, the next attempt to silence her forever comes close to home. While miles apart, each struggles with life-threatening situations as a result of their dedication to Bryan's legacy. Their lives remain entangled through a series of fateful decisions and circumstances that define a future fraught with unknowns for them both.

Dead Horse Canyon J.R. Roberts, BEATING DEAD HORSE CANYON Clint Adams is feeling fine when he rides into Broken Branch, Colorado, on his brand new horse Eclipse. He's there for a drink and a rest, nothing more. But when he sees a young boy in trouble with the law, a little bit of nothing turns into a whole lot of something. Clint bails the kid out of jail, ending up guardian to an angry young man who's out for revenge against a band of outlaws holed up in dangerous Dead Horse Canyon. The boy aims to kill the whole gang, starting with the second in command who just happens to be his own father. Maybe the Gunsmith will kick some horse sense into his young friend before they find the outlaws' lair. Maybe not. Either way, they're heading for a heap of trouble.

*Up Dead Horse Canyon* Austin Gridley, 1940 The Revenge of Dead Horse Canyon Marcha Fox, Pete Risingsun, 2025-01-07 The third and final volume of the Dead Horse Canyon Saga finds Sara paralyzed from the latest attempt on her life. She returns to Colorado where Charlie promises to help her regain her health. While some progress is made before they can restore her ability to walk, the unthinkable happens, which disrupts and redirects their plans. Having promised his grandfather Eaglefeathers that someday he would complete his four-day ceremonial fast, Charlie journeys to the Sacred Mountain where he experiences a series of visions that reveal the full scope of his destiny, which includes restoring the ancient Earth Giving Ceremony known as the Massaum. A Peace Gathering of Indigenous Leaders is scheduled for later that year. Has the time come at last for all Native American tribes to band together to fulfill Black Cloud's curse, as well as other 19th-century prophecies? Phase I of the PURF complex is complete. A gala open house to celebrate is scheduled to occur around the same time as the Gathering. While the underground facility is filled to the brim with lobbyists, contractors, and government officials, not far away a host of First Nation Americans are entrenched in a ceremony celebrating an ancient prophecy that promises to restore them to their land. What could possibly go wrong?
