Dead Church:

Dead Church Walking Jimmy Dorrell, 2011-09-08 Most everyone recognizes that the traditional Western way of doing church is in deep trouble and has been struggling for years to survive While the successful rise of some new non traditional churches often take the sting out of the demise of the average church the truth is that God still can renew congregations that have a rich history but are struggling to adjust in today s postmodern culture In his new book Dead Church Walking author Jimmy Dorrell offers both Biblical and social principles with clear suggestions for congregations willing to significantly change to become a body of believers that proclaims God s kingdom on earth as it is in heaven While there are no easy fixes this book addresses underlying symptoms of broken models that often perpetuate terminal illness stopping the church from doing God s work on earth Dorrell says our churches don t need new missions statements or re structuring but a fresh wind of God s spirit We don t need charismatic leaders but compassionate Christ centered leaders He shows us how to embrace change overcome the obstacles to change and focus on kingdom growth instead of church growth This book is hopeful and encouraging bringing fresh ideas to ignite the fire of churches and put them on the road to recovery

Autopsy of a Dead Church Lou Mancari, 2006-03 **The Revival of a Dead Church** Len Gaston Broughton, 1900 **The Apocalypse Explained** Jimmie I. Chapman, 2014-04-12 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready **Church, Come Forth** Todd Hudnall, 2015-10-02 The majority of American churches are stalled or in decline Church Come Forth is a strategic model for renewing and revitalizing plateaued and dying churches into prevailing and growing congregations Todd Hudnall combines Biblical insights church revitalization research and his experience as a turnaround pastor to provide a guidebook for transformation It is God s desire to renew His church and most church leaders will find this plan a Godsend in effectively revitalizing their congregations Steve Pike Director of the Church Multiplication Network says Three words came to mind when I read Church Come Forth by Todd Hudnall Biblical Practical Real Biblical A book about God s Church would be useless if not filled with wisdom from God s Book Hudnall carefully makes the Biblical case for revitalization unpacking scripture after scripture to lay a firm foundation for why and how a drifting church can once again join God on His mission Practical Todd Hudnall is a seasoned and successful practitioner whose walk aligns with his talk His counsel is based on the best

research and his actual experience of applying that research As a result Church Come Forth is loaded with great advice that is tried and true Real Todd s honesty about his personal growing pains is refreshing His diverse experience in churches small and large make his counsel relatable to every pastor He writes as a pastor friend writing to a pastor friend Church Come Forth is a must read for every leader of a plateaued or declining church **Revelation** Gordon Rumble,2010-04-15 The book of Revelation is exciting Yet too many today think it to be boring and hard to understand I think it is just the opposite If you take the book from a literal perspective the unveiling fits and it creates a perfect panorama of man s final days long with the text I have created a practical application for our lives today Revelation is relevant and it permeates the reader with God s last word to mankind His Son Jesus Christ The final invitation alone is worth the time spent to enjoy the book **The Dead Church** Jonathan Onche Edeh,2015-10-27 When the church falls short of being an excellent description of the Body of Christ there is an urgent need for a reawakening When the character of the church is no longer consistent with the character of Jesus Christ the head of the Body of Christ there is a need to sound the fire alarm When the church can no longer influence its members and the world in doing what is scripturally right but good and acceptable there is an urgent need for a spirit guided self examination When supposed church members are no longer guided or led by the spirit of God but the senses or the world there is a need for transformation by the renewing of the mind When church members can no longer tell the difference between the true gospel of Christ Jesus and the secular gospel both preached from the same Holy Bible there is an urgent need to speak out to save many from the path of damnation The focus of this work is not so much on those social and business empires branded churches but on the individual whose genuine spiritual state is hinged on a personal relationship with God Everyone must press in **The Revival Of A Dead Church** Len Gaston Broughton,2018-02-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Book of Revelation for Blockheads](#) Douglas Connelly,2009-05-26 Getting a glimpse into the future is always intriguing especially when that glimpse comes from God s Word But let s face it the book of Revelation has some pretty weird stuff in it seven headed beasts locusts with gold crowns a city coming down from the sky What does it all mean and how does it help you in your Christian faith This lighthearted yet

accurate guide to the last book of the Bible will help you overcome the confusion Engaging and user friendly The Book of Revelation for Blockheads helps you Understand the message of this often misunderstood book chapter by chapter Discover what Revelation says about how end time events will unfold Make sense of all the symbolism See how Revelation relates to other parts of the Bible Learn how others interpret controversial parts Worship God with a new vision of his glory and ultimate triumph and of what that means for you *Strange Work* Rev Herbert Melville Munson Jr,2013-03-25 *Strange Work* is a verse by verse commentary on the Bible book of Revelation Nearly three millennia ago the prophet Isaiah predicted that the Lord God of hosts would one day rise up and do a strange work on the Earth He said it would come as a destruction upon the whole earth Isaiah 28 21 22 The last thing that modern man expects is that the true and living God will one day actually intervene upon the Earth Yet with one voice the prophets of the Bible predict that is exactly what He will do The book of Revelation is the most detailed of the Bible s prophecies of that fast approaching supernatural intervention on planet Earth Someone has dubbed the book of Revelation The prophetic Grand Central Station of the Bible That is a very good way to describe it All the great eschatological end time themes in the Bible run to the book of Revelation like train tracks to a central hub **Inspiring Thoughts to Jump Start Your Day** Simeon P.
